

# TIPS TO BEAT THE HEAT!

**COVID-19 is circulating in Toronto.**

**Remember to follow these tips to avoid being exposed:**

- Stay home if you are feeling unwell
- Keep two metres distance when you are out
- Wash your hands often or use alcohol-based sanitizer
- Wear your mask in indoor public spaces, and outdoors when you can't keep your distance
- Stay informed, visit [toronto.ca/COVID-19](https://toronto.ca/COVID-19)

**Heat illness is preventable.** Too much heat can make you sick and lead to serious health problems or even death. Know the early symptoms of heat related illnesses including dizziness, feeling sick, having a headache or feeling very thirsty. In very hot or humid weather:

## STAY HYDRATED

Drink lots of water even before you feel thirsty.

## CHECK ON OTHERS

Call, text or video chat with family, friends & neighbours (especially older adults living alone) to make sure they're staying hydrated & keeping cool.

## KEEP COOL

Find a cool space near you  
- call 311 or visit [toronto.ca/keepcool](https://toronto.ca/keepcool)  
for information and resources.

## USE A FAN

Use a fan near an open window to bring in cooler air from outside.

## AVOID THE SUN

Stay in the shade or use an umbrella.

## BLOCK THE SUN

Keep blinds or curtains closed during the day.

## PROTECT PEOPLE & PETS

Never leave a person or pet inside a parked car.

## AVOID USING THE OVEN

Limit the use of the oven or stove; they make your space hotter.
