Tree Removal and Site Clearing for the Richview Reservoir & Pumping Station Rehabilitation

Contract: 19ECS-MI-02WA

Start Date: May 5, 2021

End Date: May 25, 2021

**Timeline is subject to change.*

The City of Toronto will start rehabilitating the Richview Pumping Station and Reservoir located in Richview Park. This work will include waterproofing the reservoir roof, structural rehabilitation, and building new Standby Power to the facility.

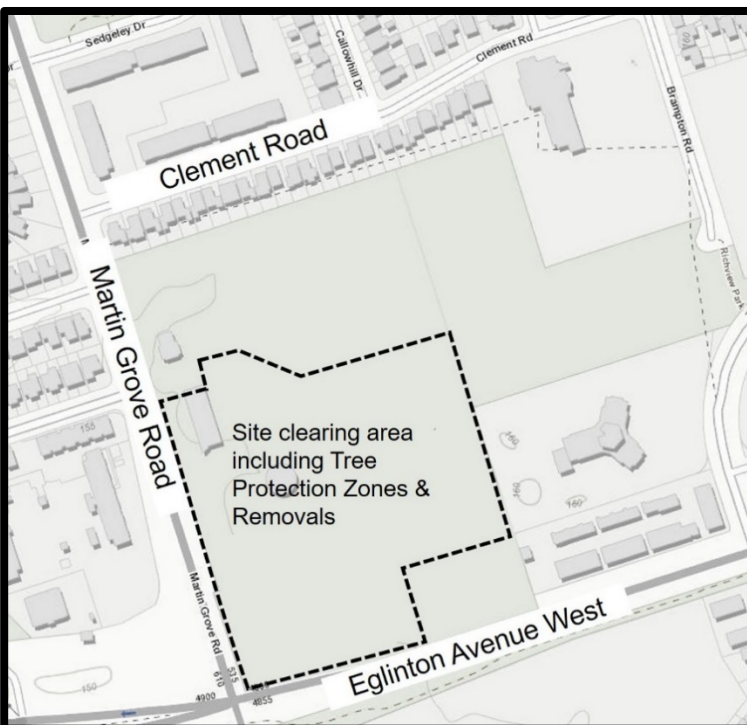

Ahead of this construction work, trees located within the worksite will be cleared starting May 5, 2021 and require three to five weeks to complete. Residents will continue to be able to access this park until a construction notice is provided in the spring.

WORK DETAILS

Work will include:

- Removal of trees located on top of the reservoir, and surrounding areas slopes (see map)
- Installation of Tree Protection Zones
