Kipling Avenue Culvert Replacement over Humber River Tributary

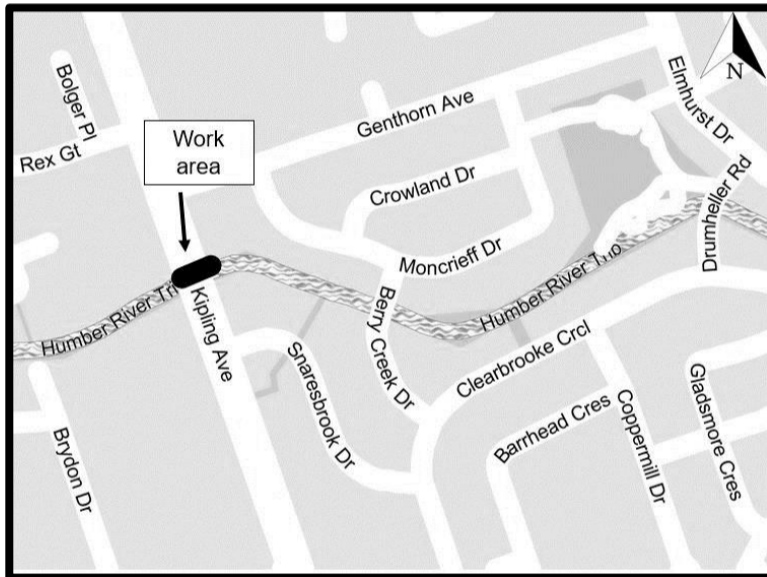

Contract: 21ECS-TI-13BE
Start Date: Summer 2021 End Date: Summer 2022
**Timeline is subject to change.*

The City of Toronto is planning to replace the culvert at Kipling Avenue over the Humber River Tributary. This work will ensure that the culvert meets today’s standards and remains safe for vehicles and pedestrians into the future. The project is part of the Council-approved 2021 Capital Works Program.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Project Manager to arrange for access during the construction period.</p>
