

Little Scarborough Centre

An Activity for Young City Builders

Spring 2021

The Challenge

Kids, we want to hear YOUR ideas for Scarborough Centre!

Show us what makes a great community. What buildings, parks, paths, and other spaces would you like to see in the future? How can Scarborough Centre be a place for ALL ages to live, work, and play?

Help us re-imagine the area by drawing, painting, or building on top of our map using arts and crafts supplies. What places will you include? We can't wait to see your creation!

Instructions

1

Print the map in this workbook or directly from the Study website. You can also open it on a tablet or copy it onto a piece of paper or Bristol board.

2

Draw or build on top of the map! We want to see YOUR vision for the future of Scarborough Centre. You might include homes, stores, paths, streets, buildings, parks, playgrounds, squares, community spaces, and other elements of a city. You could use arts and crafts supplies like markers, crayons, oil pastels, coloured paper, pipe cleaners, glue, cardboard tubes, Popsicle sticks, ribbon, clay, and other materials.

3

Take a picture of your very own Scarborough Centre and fill out the submission form in this workbook! Have your parent, guardian, or teacher submit your creation by email to ourSC@toronto.ca or share on social media using [#LittleSC](https://twitter.com/LittleSC) by June 30, 2021.

We will showcase and credit the submissions on our Study website and in Study materials such as reports and public meetings. **Visit the Study website to learn more about the Our Scarborough Centre project and share your feedback:** www.toronto.ca/OurScarboroughCentre
