

TIPS TO BEAT THE HEAT!

COVID-19 continues to circulate in Toronto. Remember to follow these tips to help reduce the spread and protect you and the community:

- Stay home if you are feeling unwell
- Stay up-to-date with your COVID-19 vaccination, including any booster dose(s)
- Reduce or limit your close contacts
- Keep a physical distance when possible, especially indoors
- Wear a high quality, well-fitting mask, especially indoors
- Wash or sanitize your hands often
- Choose well ventilated spaces when possible

STAY HYDRATED

Drink lots of water even before you feel thirsty.

CHECK ON OTHERS

Call, text or video chat with family, friends & neighbours (especially older adults living alone) to make sure they're staying hydrated & keeping cool.

KEEP COOL

Find a cool space near you
- call 311 or visit toronto.ca/keepcool for information and resources.

USE A FAN

Use a fan near an open window to bring in cooler air from outside.

AVOID THE SUN

Stay in the shade or use an umbrella.

BLOCK THE SUN

Keep blinds or curtains closed during the day.

PROTECT PEOPLE & PETS

Never leave a person or pet inside a parked car.

AVOID USING THE OVEN

Limit the use of the oven or stove; they make your space hotter.
