

Jane Finch Initiative

City of Toronto Seeks Jane Finch Community Participation

The Community Advisory Committee (CAC) will reflect the diversity of Jane and Finch residents.

To express an interest in joining the CAC, please call 416-338-5335 or register online at www.toronto.ca/janefinch

The City of Toronto is recruiting residents and community members to join the Community Advisory Committee (CAC) as part of the Jane Finch Initiative.

The CAC is an opportunity to exchange ideas with your neighbours, and provide ongoing advice and feedback to the City of Toronto on themes including:

- how the area grows over time
- parks and public spaces
- how people get around
- arts and culture
- community facilities
- access to services
- local heritage
- economic opportunities

This opportunity is open to residents and community members who are age 16+ who live in the Jane and Finch area. Committee members will be selected to ensure a diverse representation of the area's population and community groups. **All community members are welcome to participate regardless of immigration or citizenship status.** Members will receive an honorarium for participating on the committee.

The Jane Finch Community and Family Centre is working collaboratively with the City to support community engagement and will facilitate these meetings.

To express an interest in joining the CAC, please call 416-338-5335 or register online at www.toronto.ca/janefinch

Indigenous Peoples Youth Cyclists
 Small Business Owners Renters
 People of African, Caribbean and Black Descent Homeowners
 Long-time Residents
 Seniors Parents with Children at Home
 Part-time Workers Newcomers to Canada
 2SLGBTQIA+ Transit Users

What is the Jane Finch Initiative?

The Jane Finch Initiative is a project led by the City of Toronto to plan for the future of the area and leverage the investment in light rail transit for the benefit of local communities.

The project will result in a new land use plan and a community development plan to further advance social and economic development goals for current and future residents and manage future growth and development in the area.

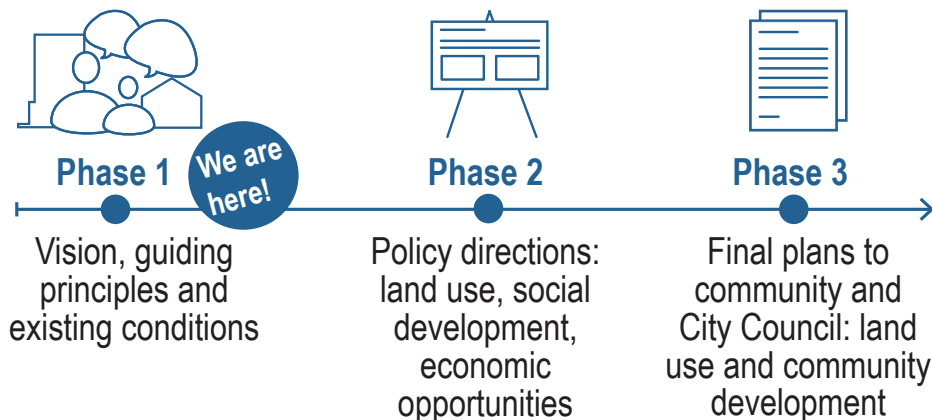

Visit www.toronto.ca/janefinch for detailed information on the project's outcomes and how you can influence the future of your neighbourhood.

How else can you get involved?

Visit www.toronto.ca/janefinch and:

- **Sign up** for e-updates. Watch the website for information about upcoming meetings and workshops
- **Email** janefinch@toronto.ca to share your thoughts anytime
- Visit our virtual public engagement page to share your ideas (available through our website)
- **Tweet** us [@CityPlanTO](https://twitter.com/CityPlanTO) or use #janefinch in your social media posts

Community Input in all Phases
