# Timeline

What will the process look like?

# What We've Heard:

## Jane and Finch is...

## Jane and Finch should be...

# Why Vision & Guiding Principles?

To develop the Community Development Plan and the Land Use Plan, we want to know:

- 1 What do you value about your neighbourhood now?
- 2 What is your vision for the future of the area?

Input from tonight's workshop will be developed into a draft Vision Statement and Guiding Principles that will help shape the land use planning work and the Community Development Plan over the next phases.

# What Happens Next?

A draft Vision Statement and draft Guiding Principles will be circulated for input – help us get it right.

A Summary of this meeting will be posted online at [www.toronto.ca/janefinch](http://www.toronto.ca/janefinch)

Establish the Community Advisory Committee (CAC)

# Community Advisory Committee (CAC)

- The CAC is an opportunity to exchange ideas with your neighbours, and provide ongoing advice and feedback to the City of Toronto
- Members are asked to join for the duration of the Jane Finch Initiative and will be compensated for their time and expertise through honoraria
- To express your interest, fill in the [CAC intake](#) form or call 416-338-0775

# Other ways to get involved

- Upcoming meetings over the next few months – details will be posted at [toronto.ca/janefinch](https://toronto.ca/janefinch)
