Agenda

1. Project Background
2. Poll 1
3. Preliminary Concepts
4. Discussion
5. Poll 2
6. Next Steps

Project Background

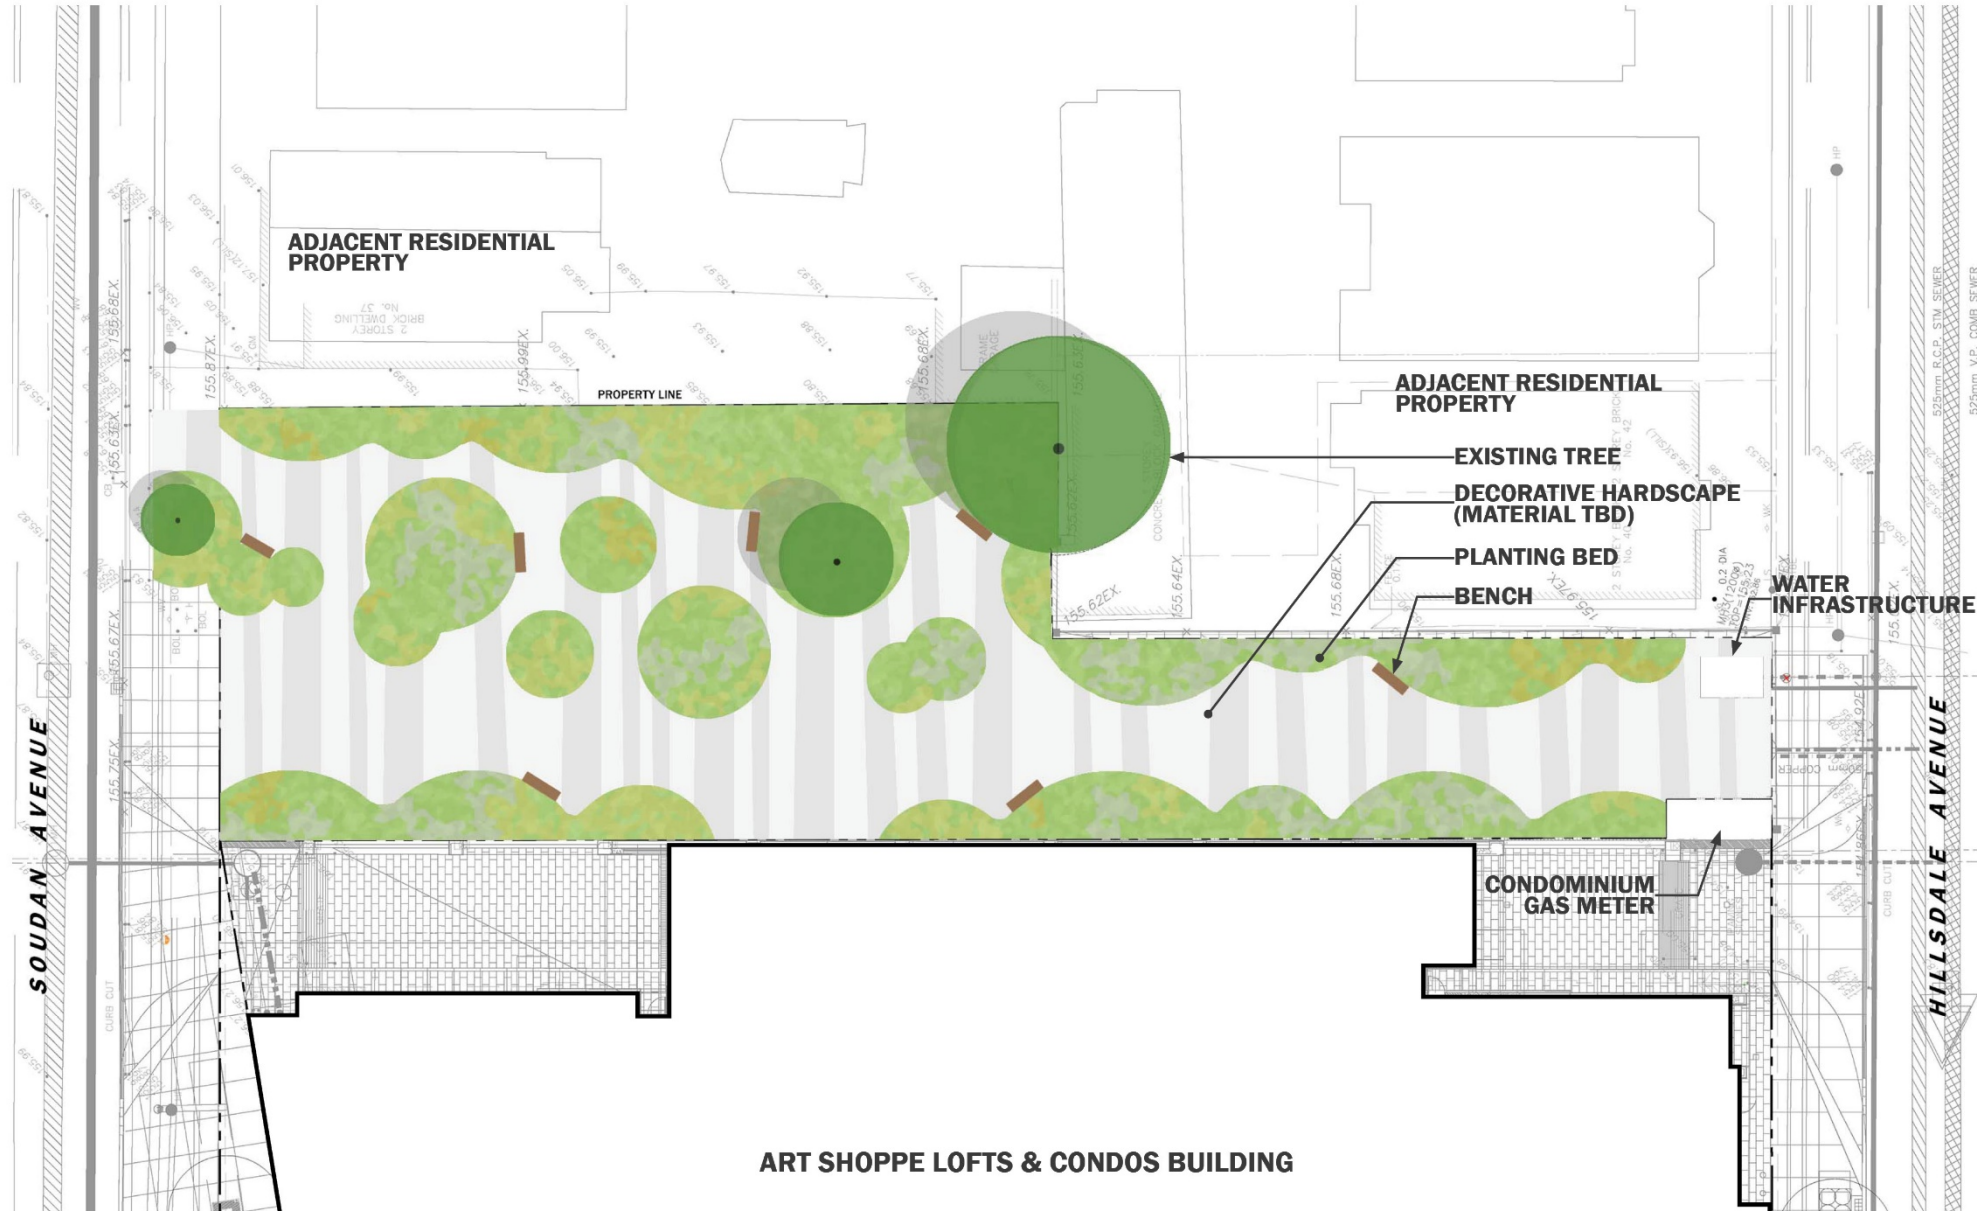

In lead up to this meeting, we have heard the following from the community:

- Seating along the pathway
- Pathway system for connectivity
- Meditation Space (lawn or hard surface)
- Pollinator Garden / Horticultural features
- Public Art
- Bike Racks
- Community Garden or Exercise Equipment

Project Timelines

- Summer 2021: Community engagement and design development
- Early Fall 2021: Engage construction team
- Fall 2021: Construction starts
- Late Winter 2021: Construction complete, park opens

Next Steps

Share your feedback through an **online survey available on Friday, July 9th.**
The survey will be open for two weeks.

- Sign up for **e-updates** to stay informed on this project and other engagement opportunities!
- Access **this presentation online**, and a survey summary in August.
