Intersection Improvements at The Queensway & Penhurst Avenue and The Queensway & Milton Street

Contract: 21ECS-TI-14MR

Start Date: September 2021 End Date: November 2021

**Timeline is subject to change.*

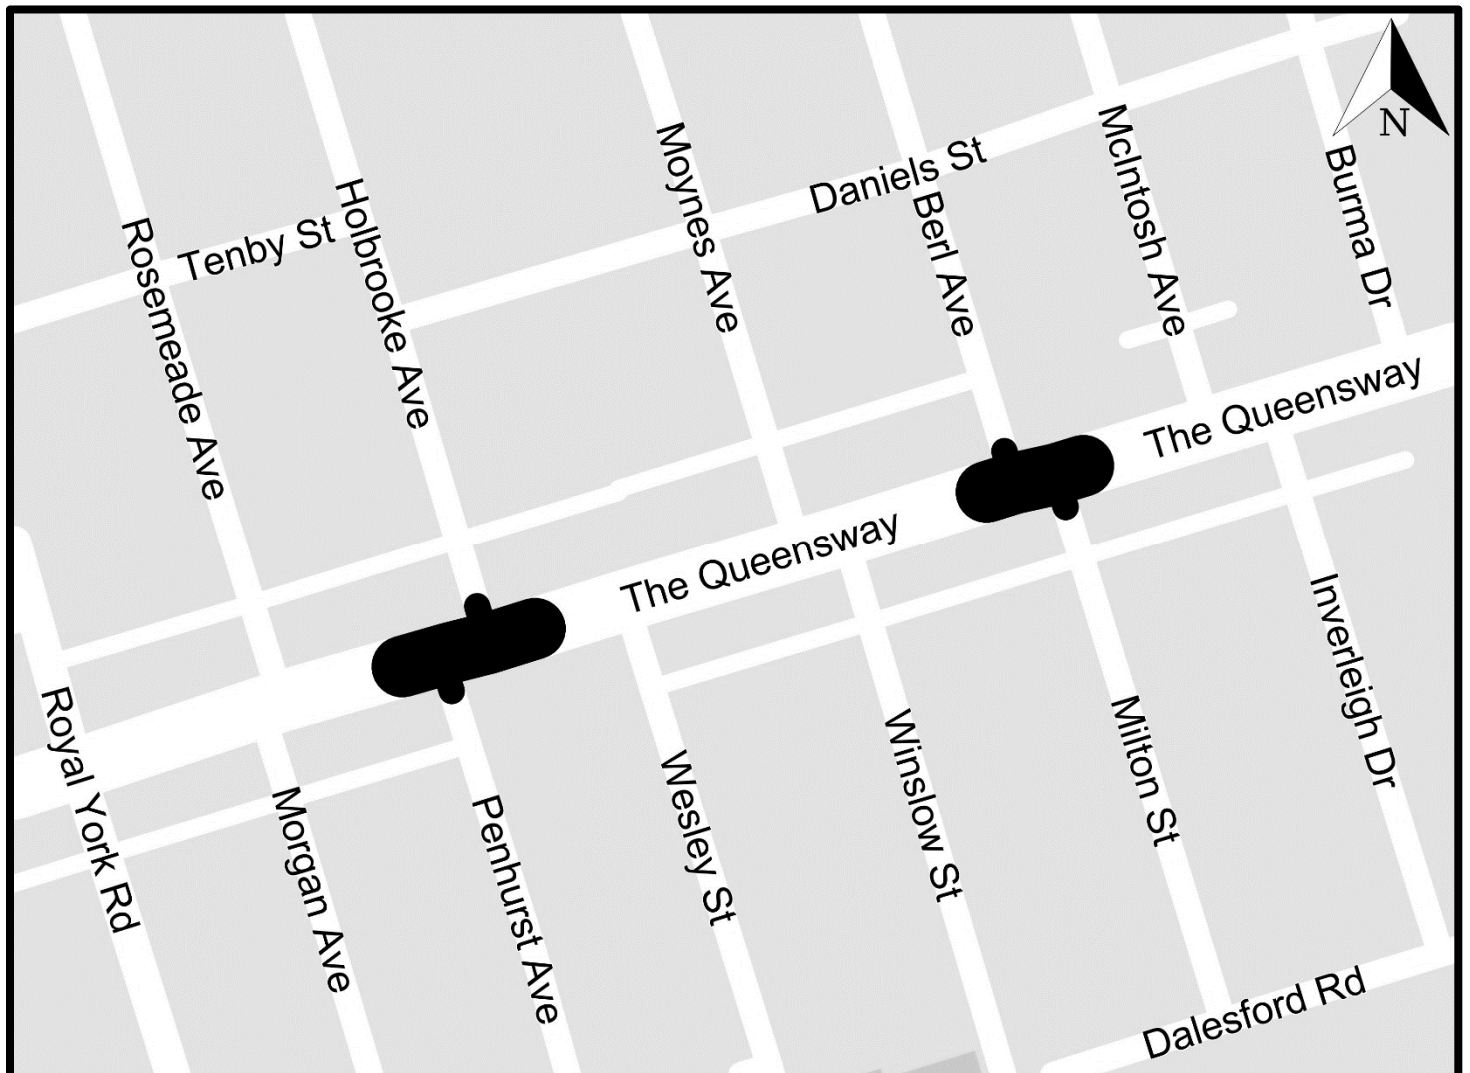

The City of Toronto is planning to upgrade the intersections at The Queensway & Penhurst Avenue and The Queensway & Milton Street. The work will include geometric safety improvements, sidewalk reconstruction and installation of new traffic signals.

This project is part of the Council-approved 2021 Capital Works Program to upgrade the intersections.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Project Manager listed below.</p>
	<p>City Owned Trees: Due to the nature of this project, the City will have to remove two street trees from the City's boulevard. If this affects a tree near your property, you will receive a separate notice in advance of the work. For street trees removed, there is a 3:1 ratio for replanting. The City will replant the trees where there is adequate space in the boulevard.</p>
	<p>Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage.</p> <p>This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Project Manager listed below.</p>
