Replacement of Culvert at Scarlett Road over Humber Creek

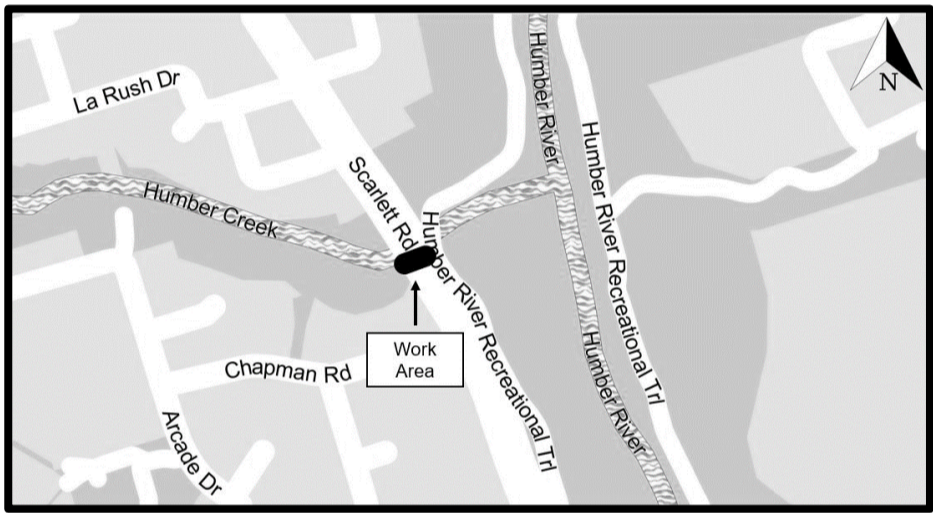

Contract: 21ECS-TI-14BE
Start Date: July 5, 2021 End Date: May 22, 2022
**Timeline is subject to change.*

The City of Toronto will replace the culvert at Scarlett Road over Humber Creek. This work will ensure that the bridge meets today’s standards and remains safe for vehicles and pedestrians into the future. The project is part of the Council-approved 2021 Capital Works Program.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City’s response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WORK DETAILS

The City’s contractor will:

- Replace the Scarlett Road culvert over Humber Creek
- Replace a section of sanitary sewer in the immediate vicinity of the culvert
- Construct new armour stone retaining walls at the inlet and outlet of the new culvert and restore the channel in the immediate vicinity of the culvert
- Replace the sidewalk, multi-use pathway, asphalt, curbs, and railing in the immediate vicinity of the culvert
- Undertake work on behalf of Bell to upgrade infrastructure
- Temporarily relocate a Toronto Hydro pole to facilitate construction

Phase/Area	Dates	Traffic Management
Phase 1 Construct east half of culvert: West sidewalk open. East sidewalk and Humber River Recreational Trail closed.	July 2021 to Sept 2021	<ul style="list-style-type: none"> • Traffic on Scarlett Road between Saxony Crescent and Chapman Road will be reduced to a single lane in each direction during all Phases of the work.
Phase 2 Construct west half of culvert: West sidewalk closed. East sidewalk and Humber River Recreational Trail open.	October 2021 to November 2021	

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce impacts. We appreciate your patience.

	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, and 9 a.m. to 7 p.m., Saturday, with work after hours and on Sunday as required.
---	---

	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Access to driveways along Scarlett Road in close proximity to the project will be maintained during the work, but may be impacted during concrete sidewalk construction and/or asphalt paving activities. Residents impacted by this will receive additional notice prior to the work.</p> <p>One sidewalk along Scarlett Road will be maintained to pedestrians at all times. Signalized pedestrian cross-walks will be maintained at Edenbridge Drive and East Drive.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>The traffic management plan is shown in a table on page one of this Construction Notice.</p>
	<p>Physical Distancing</p> <p>There are times when contractors need to communicate with residents about the work happening nearby. Contractor's staff will be identifiable by their high-visibility clothing.</p> <p>Where possible, a phone number for a contact person on-site will be provided on notices, to answer questions about work near your property. At other times, the contractor may knock on your door, but will then step away the required distance to discuss the work that is taking place and what can be expected that day. Please practice physical distancing with workers so everyone can remain safe. If you have questions, call the contact provided on this notice.</p>
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and that entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, please inform the contact listed below.</p>
	<p>TTC Impacts: TTC stops along Scarlett Road may be impacted during the work. Signage will direct bus users to temporary bus stop locations. Visit ttc.ca for accurate schedule information.</p>
	<p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>

NEED MORE INFORMATION?

If you have questions about this construction project, please contact the Project Manager listed below, if you need to speak with staff on the construction site – please ask for the site inspector, respect physical distancing and wear a mask.
