Basement Flooding Protection Program Sanitary and Storm Sewer Upgrades, and Watermain Replacements in the Weston Area

Contract: 18ECS-LU-03FP

NEW Date: Summer 2022

**Timeline is subject to change*

This notice provides an update on the sewer upgrades and road resurfacing on Wright Avenue.

Due to groundwater conditions encountered during the construction of the proposed basement flooding work on Wright Avenue, a stoppage of work was required. The stoppage was necessary in order to avoid extra charges from the contractor to the City. The City will tender the proposed basement flooding work on Wright Avenue under a separate contract and the work is planned to resume in the summer of 2022.

We know this project has an impact to all residents along Wright Avenue and the City remains committed to complete this contract in order to alleviate basement flooding within your neighbourhood. We apologize for the inconvenience that this construction has caused you and thank you for your patience as we complete necessary basement flooding protection work.

The contractor has been instructed to remove all machinery and materials currently being stored on Wright Avenue which will be completed in early October 2021. A construction notice will be issued to Wright Avenue residents at least two weeks before construction starts in Summer 2022.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

REMAINING WORK

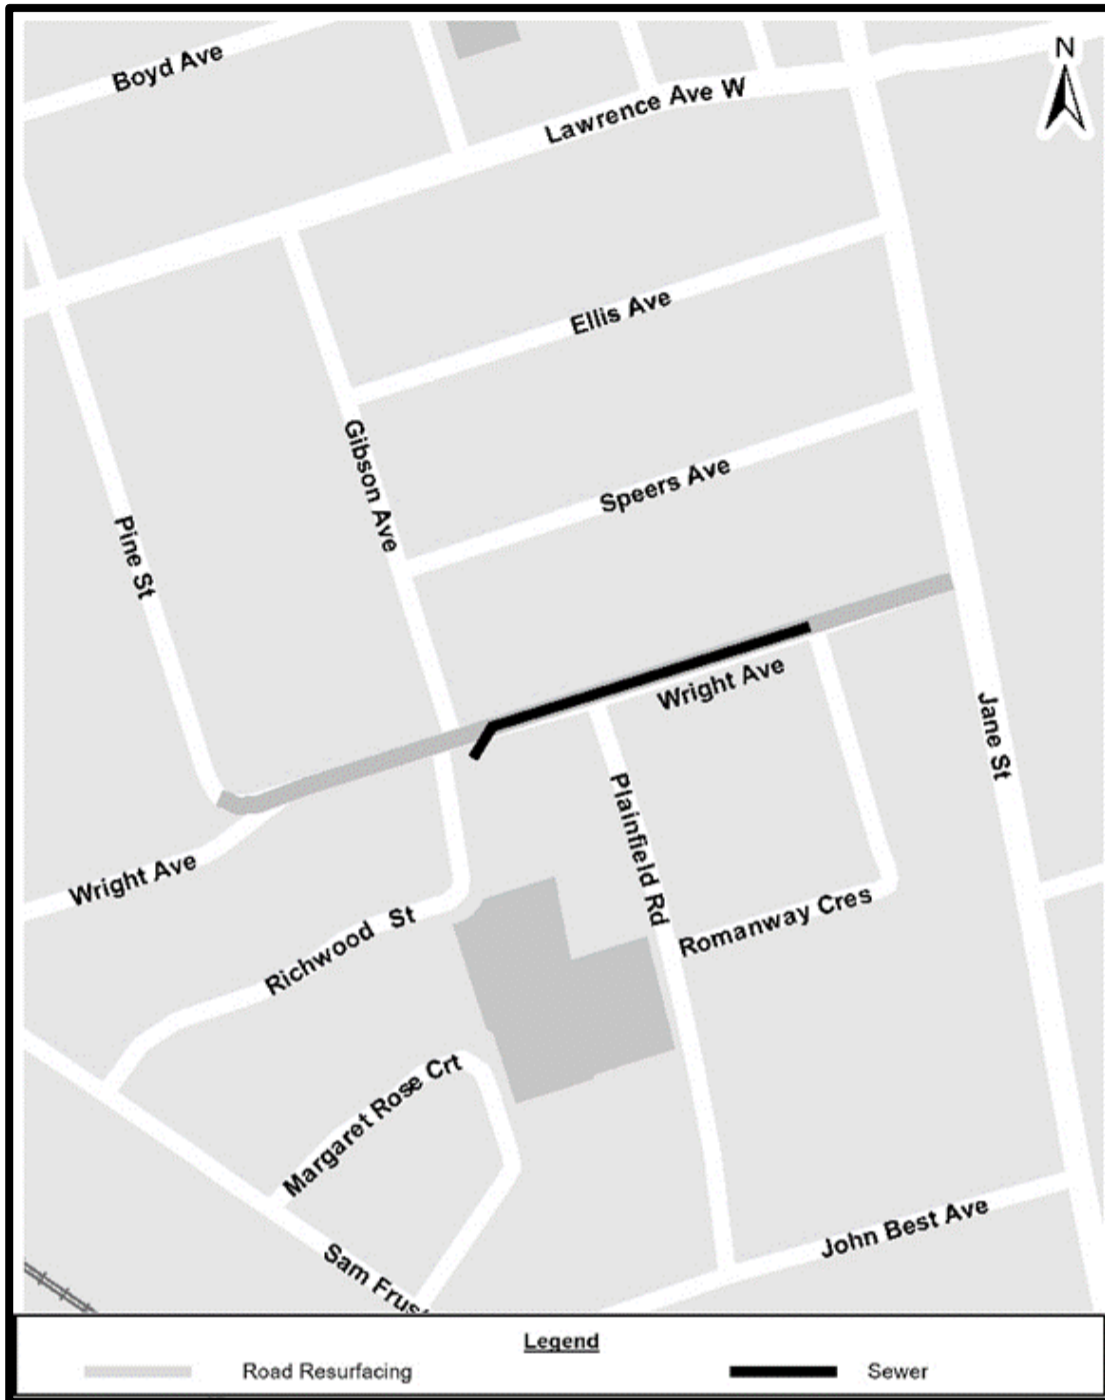

- Sanitary and Storm Sewer Upgrades
- Road Resurfacing
- Restoration

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.</p>
	<p>Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.</p>
	<p>Physical Distancing: There are times when contractors need to communicate with homeowners about what is happening on-site. This could be about driveway access, water shut offs, pre-construction inspections, and site restoration work (landscaping, installing pavers etc.). Contractor's staff will be identifiable by their high-visibility clothing and will maintain physical distancing.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Pedestrians: The work may require temporary sidewalk restrictions, however any necessary sidewalk closures will alternate in each direction to ensure pedestrian access is maintained during construction.</p>
	<p>Parking: This project will affect on-street parking. Parking in the active work zone is not permitted as space is needed for construction equipment and materials. If your parked vehicle affects construction work, it will be relocated with no charge to the owner. Please call 416-808-2222 for its location.</p>
	<p>Parking Violation Notice: If parking enforcement is called to a street, officers must issue a yellow parking violation notice (ticket) to vehicles in violation of parking by-laws. If you receive a yellow notice during this construction work, do the following within 15 days of the notice date:</p> <ol style="list-style-type: none"> 1) Contact the site inspector or person listed on the Construction Notice and give them the yellow notice number. 2) Dispute the parking violation notice online or in person following the process listed on the back of the parking violation notice. <p>You may use this construction notice as part of the explanation of why the violation should be cancelled. Please note: violation notices cannot be cancelled if vehicles are parked in illegal parking spots (i.e. in front of a fire hydrant or in no parking zones).</p> <p>In an effort to reduce ticketing due to construction, please exercise patience with neighbours who are experiencing construction and may need to temporarily park on your street.</p>
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p>
