Sewer Connections & Creek Improvements in the East Don River – Phase 1: Tree Removals

Contract: #20ECS-MI-01DC
Start Date: Mid-October, 2021
End Date: Summer 2023
**Timeline is subject to change.*

The City of Toronto will start work to replace an undersized sewer, remove concrete weir and carry out channel improvements in the East Don River at 1240 Sheppard Avenue East.

Ahead of this construction work, trees located within the worksite will be cleared starting mid-October, 2021 and require approximately 4 weeks to complete. Residents will continue to be able to access this park around the worksite. (See map on page 2).

WORK DETAILS

Work will include:

- Removal of trees within the work zone
- Installation of Tree Protection Zones

WHAT TO EXPECT DURING CONSTRUCTION

You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
