#### **Comments continued**

During the initial five (5) year term, the Property was used in accordance with the terms of the Lease as a shelter facility for women in need of housing together with their children and family, together with offices and such related services or other assistance as considered appropriate by the City from time to time for the residents. The shelter facility was operated by Red Door Family Shelter, which relocated the operation in April, 2021. Due to the continued need and demand for affordable housing in Toronto, Real Estate Services and Housing Secretariat staff recommend exercising the option to extend the Lease term to secure space in the short term while long term plans are being finalized and negotiations with the Landlord continue.
