## Pedestrian Safety and Infrastructure Improvement Kingston Road and Lawrence Avenue East

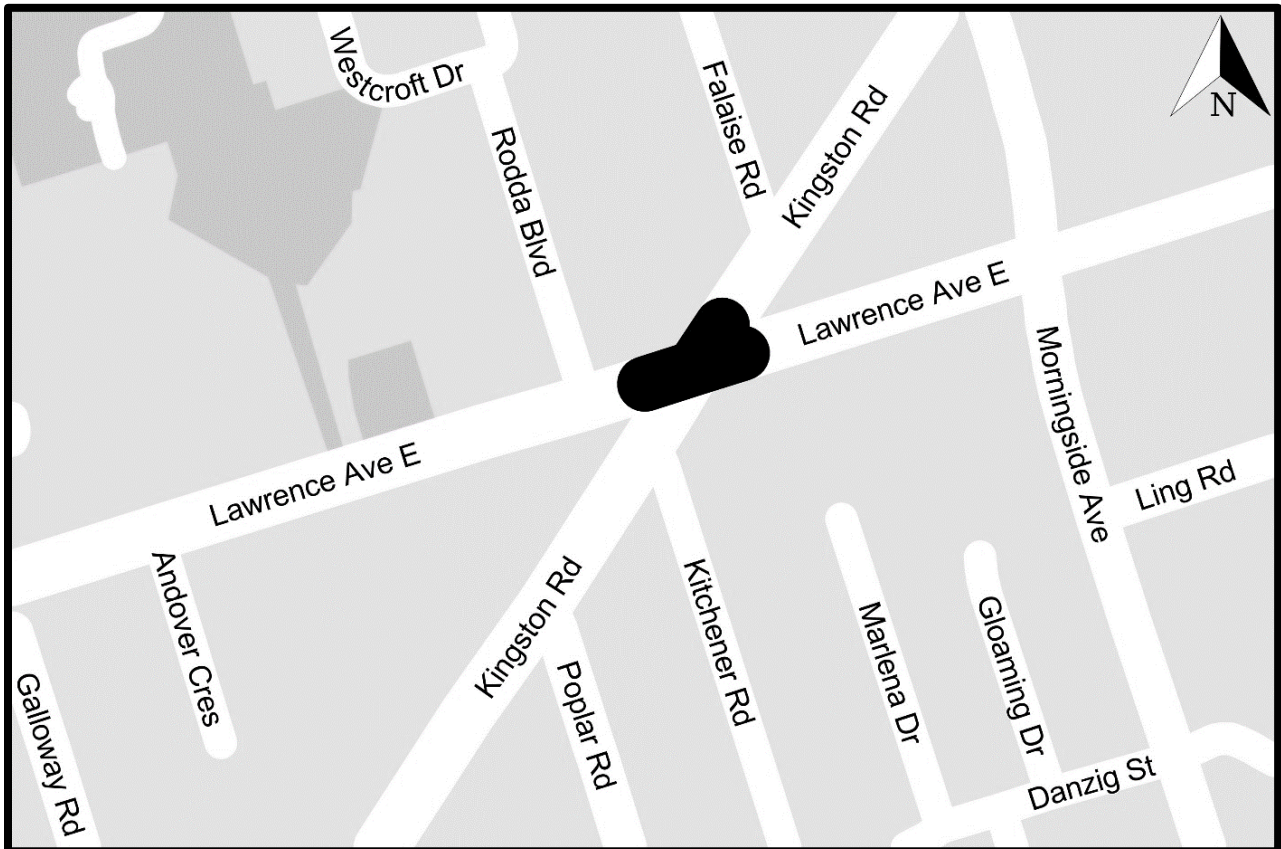

Contract: 21ECS-TI-17MR

In August 2021, the City of Toronto notified residents of planned pedestrian safety and infrastructure improvements at Kingston Road and Lawrence Avenue East (see map).

Due to a shortage of the electrical material required to relocate hydro poles, this work has been deferred to 2022.

An update will be provided before work is to take place again.

### MAP OF WORK AREA
