

December 17, 2021

Watermain Replacement between Eglinton Avenue West and Richview Road, West of Scarlett Road

Contract: 21ECS-LU-04SU
Start Date: October 18, 2021
End Date: June 2022
**Timeline is subject to change.*

The City of Toronto's project to replace the watermain and the City-owned portion of substandard water services between Eglinton Avenue West and Richview Road, west of Scarlett Road is nearly complete.

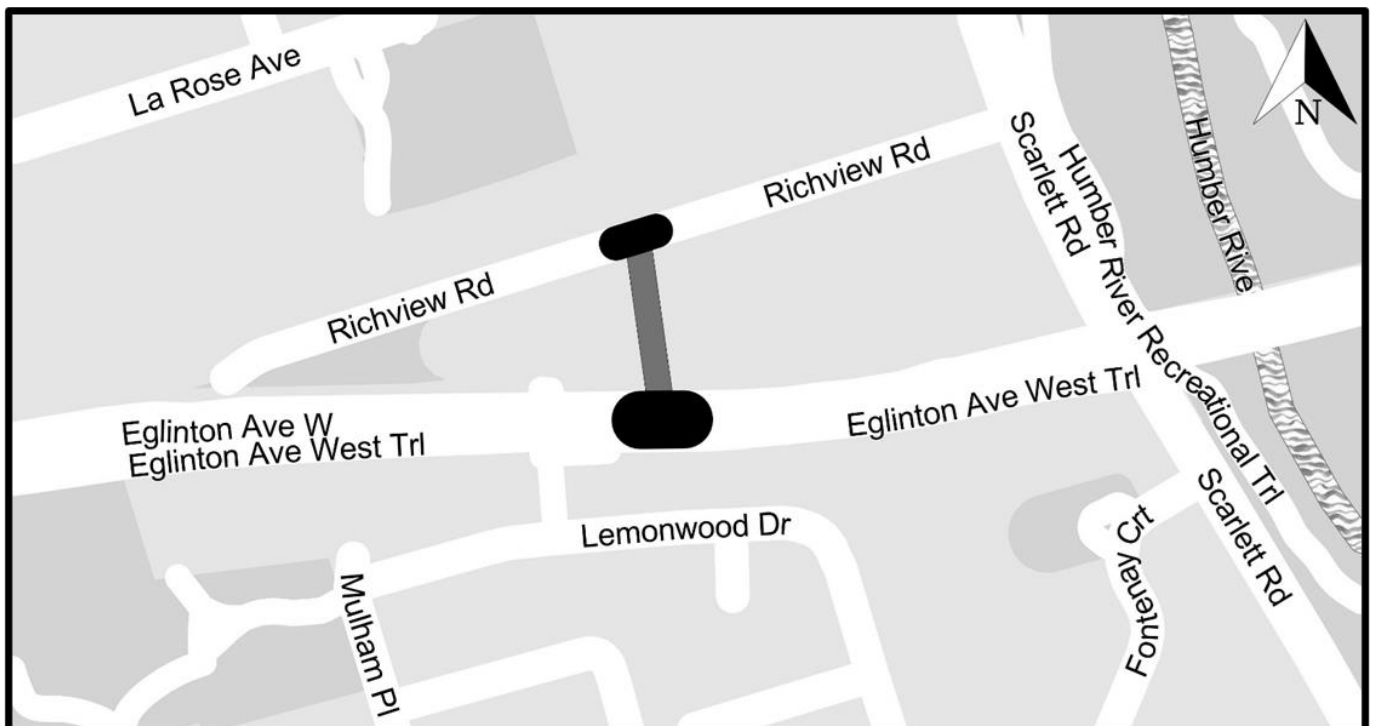

Due to unfavorable weather conditions during the winter break, sodding of areas affected by watermain installation between Eglinton Avenue West and Richview Road, west of Scarlett Road has been deferred until Spring 2022. The last day for construction work in this area was December 15, 2021.

Prior to leaving the site, the contractor permanently restored the sidewalks, curbs, and the roadway; and temporarily restored lawn areas with soil. Once weather conditions are favourable, the contractor will return in Spring 2022 to complete any pending sod restoration. A construction update notice will be issued before work re-starts. If you have any concerns during the winter break, please contact the Field Ambassador listed below.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WORK STATUS TO-DATE

The contractor has:

- Installed the new watermain;
- Transferred water services to the new main;
- Replaced any water service pipes that did not meet City standards from the watermain to the private property line; and
- Permanently restored most areas affected by watermain installation.

REMAINING WORK

In Spring 2022, the contractor will start lawn seeding and/or laying of sod as needed in all affected areas.

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please ask for the site inspector, respect physical distancing and wear a mask.
