Watermain Replacement on North Queen Street from The Queensway to Manstor Road

Contract: 21ECS-LU-02SU
Start Date: September 13, 2021
End Date: Spring 2022
**Timeline is subject to change.*

The City of Toronto's project to replace the watermain and the City-owned portion of substandard water services on North Queen Street from The Queensway to Manstor Road is nearly complete.

Due to unforeseen delays, the planned permanent restoration of areas affected by the watermain installation on North Queen from The Queensway to Manstor Road has been deferred until spring 2022. The last day for construction work in this area was December 7, 2021.

Prior to leaving the site, the contractor temporarily restored sidewalks, curbs, and the roadway with temporary asphalt, and temporarily restored lawn areas with soil. Once weather conditions are favourable, the contractor will return in spring 2022 to permanently restore the curb, sidewalk, sod and roadway. A construction update notice will be issued before work resumes.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.
