WALKS

Little Park: Please help grass seeds efforts and stay on the paths as much as possible.

Memorial Stone replaced back in Little Park

Summerhill Entrance/Little Park: Precast bench installed and curing with drinking fountain installation completed

Lower Pathway near the playground at the south-east corner of the park

Curb along the Upper perimeter pathway

Connecting path from 33 Rosehill Avenue to the Lower Perimeter Walkway

A temporary canopy covering the water feature/centennial monument so work can continue during the winter

At Avoca entrance node: formwork and reinforcement for foundation of the Heritage Valve (public art)
