

## **Our Plan Toronto: City of Toronto Municipal Comprehensive Review Contact Lists**

### **Stakeholder, Community Leaders Circle and Indigenous Engagement Contact Lists**

The City of Toronto is committed to consulting and engaging a wide range of stakeholders and community members on Our Plan Toronto. In addition to the public consultation program, contact lists have been developed for outreach and engagement with stakeholders, community organizations, Indigenous organizations and Indigenous rights holders. The following lists identify the stakeholders, community leaders and Indigenous organizations and rights holders that have been invited to and/or participated in engagement on Our Plan Toronto so far (Fall 2021). Not all organizations that the City has contacted are included in the lists below. Some organizations requested to be removed from contact lists for various reasons, including capacity, resourcing or interest.

The City will continue to reach out to stakeholders, organizations and rights holders to build relationships and consult on Our Plan Toronto over the course of 2021 and 2022. Consultation is ongoing, and the contact lists will evolve as the review process continues. If you are a community member or involved in an organization that would like to be added to a contact list for Our Plan Toronto, please email [opreview@toronto.ca](mailto:opreview@toronto.ca).
