

DELEGATED APPROVAL FORM
DIRECTOR, REAL ESTATE SERVICES
MANAGER, REAL ESTATE SERVICES

TRACKING NO.: 2021-340

Approved pursuant to the Delegated Authority contained in Article 2 of City of Toronto Municipal Code Chapter 213, Real Property

Prepared By:	Owen Bartley	Division:	Corporate Real Estate Management
Date Prepared:	December 17, 2021	Phone No.:	(416) 338-1297

Purpose	To obtain authority to enter into an extension and amendment of the existing agreement with Metro Toronto Convention Centre (the " Licensor ") with respect to part of the property municipally known as 255 Front Street West, for the purpose of operating COVID-19 immunization clinics by Toronto Public Health (TPH) (the " Extension Agreement ").
Property	255 Front St W, Toronto, Ontario also known as the Metro Toronto Convention Centre, North Building, including (a) Level 200, Rooms 201 and 202, and Level 100, Room 101; and (b) Level 100, Rooms 105, 106, and 107, also known as "Constitution Hall".
Actions	Authority be granted to enter into an extension agreement with the Licensor substantially on the major terms and conditions set out in Appendix "A-1" and "A-2", and including such other terms as deemed appropriate by the approving authority herein, and in a form satisfactory to the City Solicitor.
Financial Impact	The total cost to the City for the license extension is estimated to be \$291,765.09 (plus HST) or \$296,900.16 (net of HST recoveries) to be charged under cost centre PH4128, Functional Area Code 7170000000. Costs will be charged to cost centre PH4128, Functional Area Code 7170000000. Funding for TPH to support the operational requirements of the Mass Immunization Clinics (the "MICs") is expected to be received through continued COVID-19 support funding from the other levels of government as needed. TPH is seeking reimbursement for costs incurred to operate its MICs from the Ministry of Health (the "Ministry") as part of the Ministry's MIC Extra-Ordinary Cost Recovery Program. The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial implications as identified in the Financial Impact section.
Comments	Pursuant to a directive from the Medical Officer of Health for the City of Toronto, TPH plans to hold public immunization clinics to administer vaccination against the COVID-19 virus. This clinic will also be used by TPH to administer immunizations under the School Immunization Program and for the influenza virus. This program is essential to stopping the spread of COVID-19 and protecting the population from its harmful effects. Immunization will play a key role in stopping the pandemic globally, and widespread immunization will reduce cases of infection and decrease the burden on the health care system. Authorized through DAF 2020-254, The City entered into an agreement with the Licensor for the purpose of a flu immunization clinic, dated September 28, 2020 which commenced September 28, 2020 and expired on December 18, 2020. That agreement was subsequently extended for the use of the COVID-19 immunization clinic until July 31, 2021, authorized by DAF 2021-004. It was further extended through September 30, 2021, authorized by DAF 2021-200, and then further extended through December 31, 2021, authorized by DAF 2021-274. The need to further extend this clinic has been determined by Toronto Public Health and the City's Immunization Task Force.
Terms	See Appendix "A-1" and "A-2" for the Major Terms and Conditions of the Extension Agreement. A location map is attached as Appendix "B", and sketches of the Licensed Areas are attached as Appendix "B1".
