

# I Can't Access or Afford Transportation to get my COVID-19 Vaccine. Now What?

Check if family members, friends or neighbours can give you a ride

Call **211** to get information about free rides to and from a vaccine clinic or pharmacy

You may be able to get free Uber or TTC vouchers from local community organizations

If you receive social assistance, contact your caseworker to see if you are eligible for medical travel funds

Wheel-Trans customers can call **416-393-4222** for a reservation
