

Established in 1976, the Etobicoke Civic Centre Art Gallery specializes in exhibitions by local, national and international art organizations for their juried or curated shows to be displayed for the pleasure of the people of Toronto. The Gallery is operated by Toronto Arts & Culture Services, with direction and support from the volunteer Etobicoke Civic Centre Art Gallery Committee.

### Description of Space

Situated within the Etobicoke Civic Centre, the Art Gallery displays works in the halls and foyer in the Centre Block on the main floor. Hanging space is approximately 230 feet, allowing for 40 – 70 works, depending on the size and media. The gallery is public space, frequented not only by dedicated gallery viewers but also by any visitor to the Civic Centre.

### Gallery Schedule

There are usually 10 shows annually with most of the exhibitions running for four weeks each. July/August is a combined slot of approximately 6 weeks and December/January is a combined slot of approximately 7 weeks. The Etobicoke Civic Centre Art Gallery Committee determines the annual schedule of exhibitions from the applications that are received by April 1 each year. The Gallery is usually booked at least one year in advance.

### Who Can Apply

The Etobicoke Civic Centre Art Gallery only exhibits shows by art organizations or groups with a minimum of six participating artists. There is a preference given to juried shows, and groups that have not exhibited in the previous calendar year. \*\*Please note that we do not accept applications from individual artists for solo exhibitions.

### Application Review

- All applications are reviewed by the ECC Art Gallery Committee in mid-April, with support from gallery staff. All decisions are final.
- The committee will determine which applications to accept and which slot(s) shall be offered to the successful applicants. Please note that some months are much more popular than others, so a group may be accepted but not awarded a preferred slot.
- If an application is not accepted, the arts group will be contacted and feedback will be provided as to why the application was not approved.
