

DELEGATED APPROVAL FORM
DIRECTOR, REAL ESTATE SERVICES
MANAGER, REAL ESTATE SERVICES

TRACKING NO.: 2022-072

Approved pursuant to the Delegated Authority contained in Article 2 of City of Toronto Municipal Code Chapter 213, Real Property

Prepared By:	Trixy Pugh	Division:	Corporate Real Estate Management
Date Prepared:	March 15, 2022	Phone No.:	(416) 392-8160

Purpose	To obtain authority to enter into a letter Permission to Enter Agreement (the " Licence ") with Toronto Standard Condominium Corporation 1739 (the " Licensor ") with respect to the property municipally known as 85 Bloor Street East, Toronto to permit preconstruction condition surveys and vibration monitoring (the " Work ") in connection with the Toronto Transit Commission (the " TTC ")'s Bloor-Yonge Capacity Improvement Project (the " Project ").
Property	The property municipally known as 85 Bloor Street East, Toronto, legally described as Part Lots 8 and 9 N/S Hayden St. Plan 163 and Part of Park lot 8 in Concession 1, from the Bay, designated as Part 1 on Plan 66R-21606; City of Toronto, shown on the location map attached hereto as Appendix "A" (the " Property ").
Actions	Authority be granted to enter into the Licence with the Licensor, substantially on the major terms and conditions set out below, and including such other terms as deemed appropriate by the approving authority herein, and in a form satisfactory to the City solicitor.
Financial Impact	There is no financial impact associated with the proposed Licence. The Licence will be at nominal consideration. The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial impact information.
Comments	The Bloor-Yonge Capacity Improvement Project is a critical component of addressing capacity constraints on Line 1, and is expected to ameliorate impacts on the Bloor-Yonge Station from projected growth in the City of Toronto and surrounding jurisdictions, planned transit expansion programs as well as the expected higher density in the area. As part of the Project, TTC will be constructing a new permanent alternative station entrance, emergency egress and an electrical substation at Bloor-Yonge Station. In order to facilitate the construction of the Project and help protect the Property, TTC is to carry out the following work on the Property: <ol style="list-style-type: none"> 1. Vibration monitoring: Vibration monitors are affixed within the structure of the Property to detect potential movement of the structure during the construction of the Project. The vibration monitors will be installed at locations within the Property acceptable to both the Condominium and the City. Readings from the vibration monitors are collected remotely, and the vibration monitors will be removed when the Project is complete. Periodic access may be required for the maintenance, repair or replacement of the vibration monitors, as well as manual data collection. 2. Condition surveys: A visual survey of the interior of the Property and of the structure on the Property is carried out before and after construction of the Project. Each survey takes a few hours to complete and involves taking notes, photographs and/or video. No intrusive or structural testing of the structure on the Property is required nor will such structural testing be performed.

Terms

Term – Ten (10) years, commencing on April 1, 2022 and expiring on March 31, 2032.

Licence Fee - nominal

TTC as City Agent – In accordance with Chapter 279 of the City of Toronto Municipal Code, the Council of the City of Toronto set out that the acquisition of licence rights for TTC shall be directed through the City of Toronto Real Estate Approval Process. The City permits the TTC as an agent of the City to undertake and fulfill any obligation, covenant or requirement of the City arising in respect of the Licence.

Early Termination – The City shall have the right to terminate the Licence upon giving at least forty-eight (48) hours written notice thereof to the Licensor.

Restoration – At the expiration or early termination of the Licence, the City will, at its sole cost and expense, repair any damage to the Property caused in installation of the vibration monitors in a good and workmanlike manner.

Indemnity – The City will indemnify and save the Licensors harmless from and against any and all losses, claims, actions, damages, liabilities and expenses in connection with loss of life, personal injury, damage to property or other loss or injury whatsoever arising from or out of or as a result of the rights granted to the City by the Licence or the carrying out of the Work by the City (or any of its employees, agents, invitees, contractors, or contractor's workers), save and except to the extent such loss, injury or damage results from any wilful misconduct, negligent act or omission of the Licensor or those for whom the Licensor is in law responsible. This provision will survive the expiration or early termination of this letter agreement.

Assumption Agreement: The owner agrees that it will not convey by way of deed, transfer, or grant or assign or exercise a power of appointment or enter into an agreement of purchase and sale in respect of the Property or any portion thereof, or enter into any other agreement or lease, which has or could have the effect of granting the use of or right in the Property, or any portion thereof, directly or by entitlement to renewal for a period of twenty-one years or more, unless the owner requires the proposed purchaser, transferee, grantee, assignee, lessee, or such other person who would be entitled to the benefits of such agreements or transactions referred to above, as the case may be, to execute and deliver to the City an agreement with the City, satisfactory in form and content to the solicitor for the City, requiring such person to agree to assume and to be bound by the terms of the letter agreement.
