Berry Road Pedestrian Bridge Rehabilitation over Mimico Creek

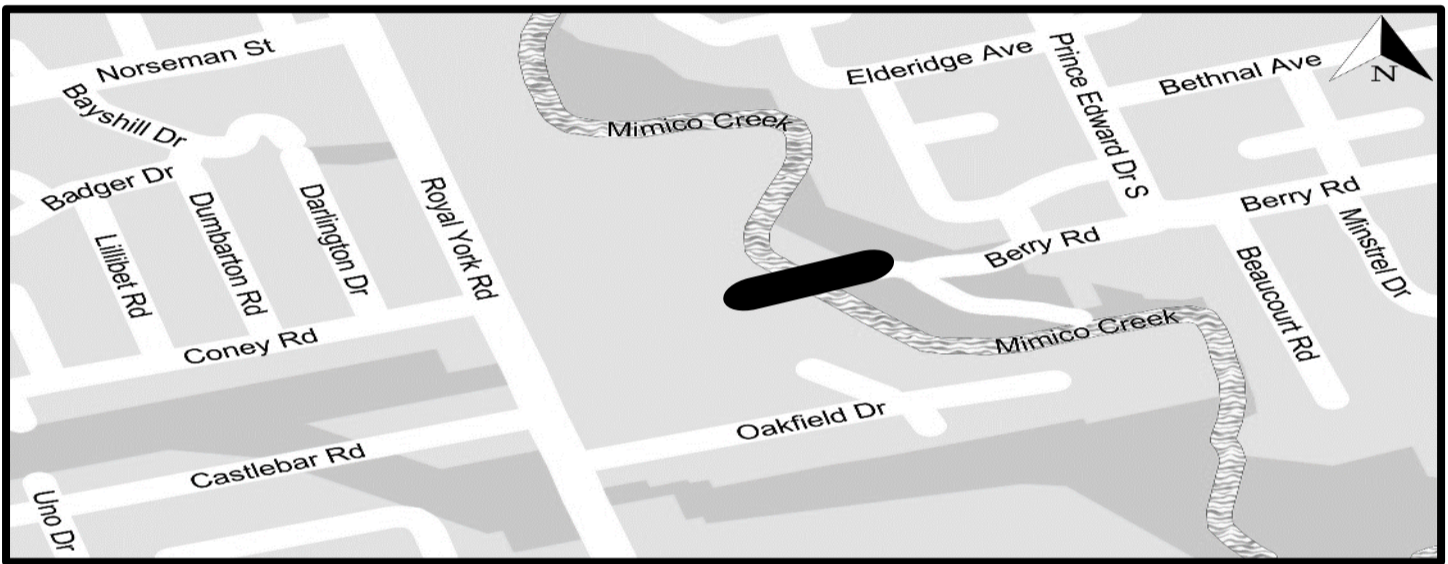

Contract: 22ECS-BE-11BSE
Start Date: May 2022 End Date: December 2022
**Timeline is subject to change.*

The City of Toronto is planning to rehabilitate the Berry Road pedestrian bridge over Mimico Creek. This work will ensure that this bridge meets today’s standards and remains safe for pedestrians into the future. The project is part of the Council-approved 2022 Capital Works Program.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.

	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.</p>
	<p>Traffic Management: The bridge will remain closed to pedestrians for the duration of construction.</p>
