COVID-19 Screening Questionnaire

Screen yourself for COVID-19 and other respiratory viruses using this questionnaire. If you answer YES to any of the questions, follow guidance provided.

1. Do you have any of these new or worsening symptoms*?
   A) One or more:
   - Fever > 37.8°C and/or chills
   - Cough
   - Trouble breathing
   - Decrease or loss of taste/smell
   B) Two or more:
   - Sore throat
   - Headache
   - Feeling very tired
   - Runny nose/nasal congestion
   - Muscle aches/joint pain
   - Nausea/vomiting/diabetes

2. Have you tested positive for COVID-19 in the last 10 days and have symptom(s)?
   - Yes
   - No

3. Do you have only one symptom from 1(B) OR any of the following new or worsening symptoms*?
   - Abdominal pain
   - Pink eye
   - Decreased or no appetite
   - Abdominal pain
   - Pink eye
   - Decreased or no appetite

4. Have you been told that you should be quarantining, isolating, or staying at home? (e.g. by a doctor, federal border agent, public health)?
   - Yes
   - No

5. Have you been told you are a close contact of someone who has symptoms OR someone who tested positive for COVID-19?
   - Yes
   - No

*If the symptom is from a known health condition that gives you the symptom, select “No”. If the symptom is new, different or getting worse, select “Yes”. If there is mild tiredness, sore muscles or joints within 48 hours after a COVID-19 or flu vaccine, select “No”.

**Following extra measures means: Wearing a well-fitted mask in all public settings, avoiding activities where you need to take off your mask and not visiting people or settings at higher risk.
If you answered “YES” to any of the questions on page 1, follow the below instructions:

Stay Home & Self-Isolate if You are Sick:
Stay home until you have no fever and your symptoms are improving for at least 24 hours (or 48 hours if nausea/vomiting/diarrhea).

Anyone who is feeling sick or has any new or worsening symptoms of illness, including those not listed in this screening tool, should stay home until their symptoms are improving and seek assessment from their health care provider if needed.

Follow Extra Measures:
For 10 days after the start of symptoms OR a positive COVID-19 test (whichever came first) OR for 10 days after your last close contact with a person who has symptoms or a positive COVID-19 test:

- Wear a well-fitted mask in all public settings (including schools/child care, unless <2 years of age);
- Avoid non-essential activities where you need to take off your mask (e.g., dining out, playing a wind instrument, high contact sports where masks cannot be safely worn), with reasonable exceptions such as when eating in a shared space at work while maintaining as much distancing as possible;
- Do not visit people or settings (e.g. hospitals, long-term care homes) at higher risk, including where there are seniors or those who are immunocompromised.

Follow this advice even if you test negative for COVID-19 or you did not do a test. These measures are an added layer of prevention against the spread of COVID-19 and respiratory viruses.

Follow Additional Guidance if Immunocompromised OR Living in a Highest-Risk Congregate Care Setting:
If residing in a highest-risk setting OR immunocompromised OR hospitalized for COVID-19 related illness, your isolation requirements may differ. See Table 1 of the provincial guidelines for additional guidance.

Follow Additional Guidance as Instructed:
If you have you been told that you should be quarantining, isolating, staying at home, or not attending school or child care right now (e.g., by a doctor, federal border agent, public health):

- Follow the guidance or directions that have been provided to you.
- If you travelled outside of Canada in the last 14 days, follow federal requirements for quarantine and testing after returning from international travel.

Get Tested and Treated if Eligible:
- COVID-19 testing and treatments are available to certain groups. See here for more information.

This tool is consistent with provincial guidance: Management of Cases & Contacts of COVID-19 in Ontario (gov.on.ca)
