	<p>Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. Motorists are reminded that bicycles and cars will be sharing the lane. When driving, please be mindful of vulnerable road users. Efforts have been made to manage traffic in the area for the safety of workers, road users and residents.</p> <p>Northbound lanes of The West Mall may be impacted during this work.</p>
	<p>On-Site Communication: There are times when contractors need to communicate with homeowners about what is happening on-site. This could be about driveway access, water shut offs, pre-construction inspections, and site restoration work (landscaping, installing pavers etc.). Contractor's staff will be identifiable by their high-visibility company branded clothing and will follow relevant COVID protocols. If you need to speak with staff on the construction site, please ask for the Site Inspector and follow public health directions for reducing the spread of COVID-19 during in-person communication.</p>
