

April 8, 2022

Road Reconstruction on Murrie Street

Contract: 21ECS-TI-102LR

Start Date: June 28, 2021 End Date: December 31, 2021

Revised End Date: May 27, 2022

Winter Break: December 23, 2021, to April 17, 2022

**Timeline is subject to change.*

In June, 2021, the City of Toronto started Road Reconstruction on Murrie Street.

To date, replacement of substandard water services and construction of sidewalks, curbs, and gutters have been completed. The contractor has also completed the Traffic Signal Electrical work at the intersection of Dwight Avenue, Birmingham Street and Murrie Street.

On April 18, 2022, the contractor will resume road reconstruction by removing and replacing the entire road structure (asphalt and underlying support materials), paving the road with new asphalt, and completing any outstanding permanent restoration of driveways and boulevard restoration with topsoil and sod.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below, if you need to speak with staff on the construction site – please ask for the site inspector, respect physical distancing and wear a mask.
