Toronto Islands Docking Access Licence

Additional Requirements

Toronto Islands Dock Access Licenses only permit the non-exclusive short term docking at specific dock locations within the Toronto Islands Park System. The Licence specifically does not allow for overnight mooring of vessels nor does it provide for any right of docking access on the mainland which operators must individually procure on their own. You will be required to provide proof of comprehensive commercial general liability insurance with inclusive limits of not less than \$5,000,000.00. Licenses will not be issued unless the applicable Licence Fee has been paid in full and the applicant has entered into the applicable Toronto Islands Dock Access Licence Agreement with the City as Licensor and the applicant as Licensee.
