

<b>Identification requirements for candidates</b>	City Clerk's Office – Toronto Elections
	<b>Policy No.:</b> POL-LCEF-001

## 1. Policy

All persons filing a nomination for office, withdrawing a nomination or changing qualifying information on their Nomination Paper must present current identification to an election official that verifies their name, qualifying address and signature.

## 2. Application

This policy applies to candidates running for office in all Toronto municipal elections and/or by-elections.

## 3. Authority/Legislative reference(s)

Section 12(3) of the Municipal Elections Act, 1996 provides the City Clerk with the power to require a person to furnish proof that is satisfactory to the election official of the person's identity or qualifications.

Sections 33 and 36 of the Municipal Elections Act, 1996 outline the requirements for a person filing and withdrawing their nomination as a candidate.

Section 88 of the Municipal Elections Act, 1996 outlines the requirements of the City Clerk in keeping and maintaining election records, including those collected through the nomination process.

## 4. Acceptable forms of identification

A person may present one piece of identification showing name, qualifying address and signature. Alternatively, a person may present two pieces of identification, with one showing name and qualifying address and another showing name and signature.

The identification(s) presented may be an original, or a certified or notarized copy, of the document, or combination of documents. See Appendix "A" for acceptable identification.

## 5. Implementation

(1) To establish the person's identity, the City Clerk requires that:

- a) All persons filing a nomination for office, withdrawing a nomination or changing qualifying information on their Nomination Paper must provide current original identification that demonstrates proof of their name, qualifying address within the City of Toronto or jurisdiction (as in the case of school trustees), and signature.
- b) In the case where an agent is filing a nomination for a candidate, the agent must provide their own original identification as well as an original piece, or a certified or notarized copy, of identification belonging to the person for whom the nomination is being filed.
- c) The person's last name or single name on the nomination paper must match the name shown on the identification provided. However, the person's first name may be shortened or modified subject to agreement by the City Clerk (e.g., Neethan for Navaneethan, Mike for Michael).
  - Nicknames, slogans, initials, occupations, degrees, titles, honours or decorations are not permitted to replace or to be added to the name when filing a nomination.
  - Exception – middle names  

If the person filing the nomination provides acceptable identification that demonstrates they are commonly known by their middle name, then their middle name may replace their first name as the name to be displayed on the nomination paper.
- d) The name on the certified nomination paper will be the name displayed on the ballot.

(2) Exception - persons with no permanent lodging place

If a person is unable to provide identification because they do not have a permanent lodging place, a declaration regarding the places to which they returned to eat or sleep during the previous five weeks may serve as proof of residency and qualification, in the absence of evidence to the contrary, for the purpose of filing a nomination as set out in section 2(3) of the Municipal Elections Act, 1996.

## **6. Retention of identification**

- (1) All documents and materials filed with or prepared by the City Clerk or any other election official under the Municipal Elections Act, 1996 are public records and, until their destruction, may be inspected by any person at the City Clerk's Office when the office is open.
- (2) The City Clerk will retain copies of the identification in a secure manner that prevents unauthorized access for 120 days after declaring the results of the election.
- (3) The City Clerk will destroy the identification after the 120 day period has elapsed unless a court orders otherwise or in the event of a recount in accordance with sections 88(2) and 88(3) of the Municipal Elections Act, 1996.

**Date Approved: June 2022**
