

<b>Identification requirements for electors</b>	City Clerk's Office – Toronto Elections
	<b>Policy No.:</b> POL-DVT-002

## 1. Policy

All electors (or their agents) seeking to have their name added to or removed from the voters' list or to have information relating to them on the voters' list amended, and electors wishing to appoint or be appointed as a voting proxy, must present identification that verifies their name and qualifying address.

## 2. Application

This policy applies to Toronto municipal elections and by-elections. This policy does not address identification requirements for obtaining a ballot; those are addressed in section 52 of the Municipal Elections Act, 1996 and Ontario Regulation 304/13.

## 3. Authority/Legislative reference(s)

Section 12(3) of the Municipal Elections Act, 1996 provides the City Clerk with the power to require a person to furnish proof that is satisfactory to the election official of the person's identity or qualifications.

## 4. Acceptable forms of identification

- (1) Where an elector is required to present identification to an election official for the purposes of this policy, the City Clerk has elected to use the identification described by Ontario Regulation 304/13, set out in Appendix "A", as proof of the elector's identity and residence.
- (2) In a regular election or by-election for Council, where an elector is the spouse—as defined in section 3(1) of the City of Toronto Act, 2006—of a non-resident owner or tenant of land in the City of Toronto, that elector must provide:
  - (a) acceptable identification showing their name and address; and
  - (b) one of the following:
    - (i) a government issued document confirming the elector's marital status to the non-resident owner or tenant of land in the City of Toronto; or

- (ii) in the event that the elector is a person living outside marriage in a conjugal relationship, then a government issued document proving that the elector and their spouse:
  - (a) have cohabited for at least one year;
  - (b) are together the parents of a child; or
  - (c) have together entered into a cohabitation agreement under section 53 of the [Family Law Act, 1990](#).
- (3) A Voter Identification Card is not considered identification at the voting place.

## 5. Exceptions

### Persons with no permanent lodging place

- (1) If a person is unable to provide identification because they do not have a permanent lodging place, a declaration regarding the places to which they most frequently returned to eat or sleep during the previous five weeks may serve as proof of residency and qualification, in the absence of evidence to the contrary.

### Persons in institutions (long term care homes and retirement homes)

- (2) If a resident of an institution does not have identification as described in Appendix "A" readily available, then any document issued by the institution can be accepted as identification, including the patient's chart or name on their bed, a wrist-bracelet and/or a list of residents provided by the institution. If an administrator of the facility is present, they can also confirm the identity of the resident.

### Persons with a disability

- (3) If a person is unable to provide identification with a signature because a disability prevents them from signing any document, they shall still be added to the voters' list and be provided a ballot upon providing acceptable identification as per Appendix "A".

## 6. Retention of identification

- (1) All copies of identification received by the City Clerk's Office for the purpose of adding to, removing from, or amending the voters' list or obtaining a Voting Proxy Certificate, must be:
  - (a) returned to the elector and/or their agent, if submitted in person;

- (b) returned to the elector and/or their agent, if an original document is received by mail; or
- (c) destroyed upon verification of the elector's identity, if provided as a copy and received by mail.

## **7. Special Circumstances**

Where the City Clerk deems necessary in special circumstances, which are not addressed in the legislation or this policy, the City Clerk shall have full authority to accept other identification from an elector.
