

July 14, 2022

Road Reconstruction, Bridge Rehabilitation & Cycling Infrastructure on Cummer Avenue from Bayview Avenue to Leslie Street

Contract: 21ECS-TI-02BE

Start Date: July 5, 2021 Expected End Date: August 2022

NEW End Date: October 2022*

*Timeline is subject to change.

This notice provides an update on the Road Reconstruction and Bridge Rehabilitation over the Don River on Cummer Avenue between Bayview Avenue and Leslie Street.

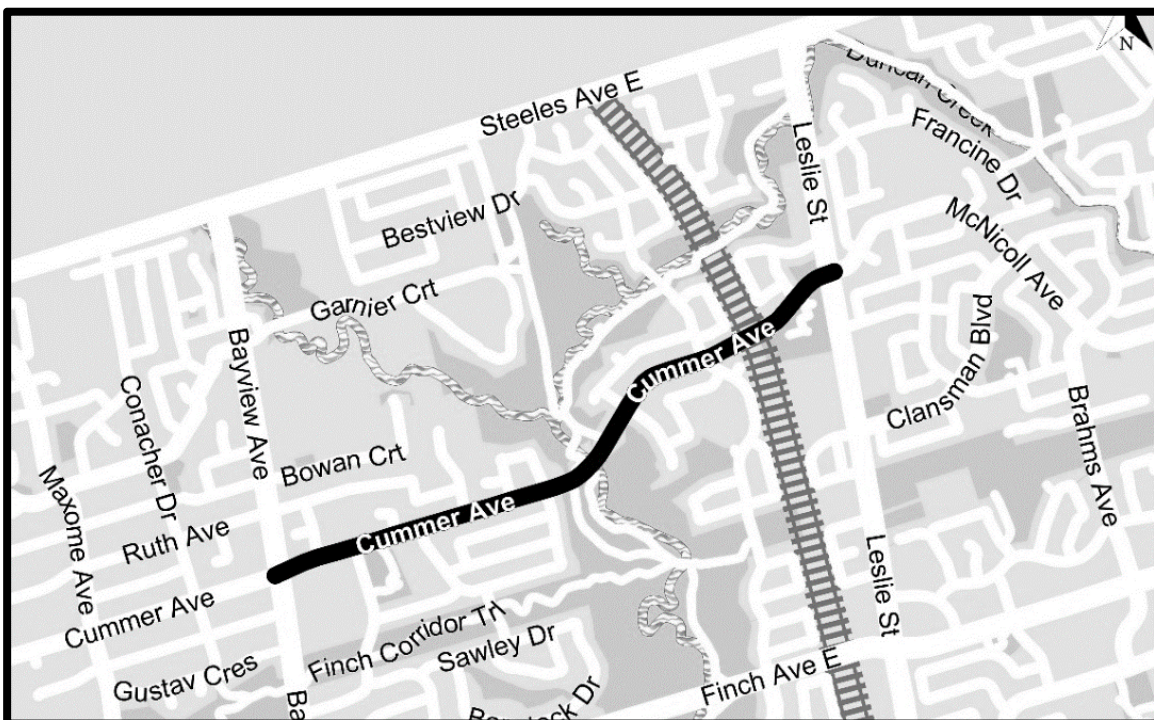

Work on this project is currently behind schedule. This delay was caused by unforeseen utility conflicts and labour disruptions. The City's contractor is working diligently to complete the remainder of the project.

We know this project has an impact to all businesses and residents along Cummer Avenue. We sympathize and appreciate your patience with the dust, noise, fencing and other inconveniences.

IMPORTANT INFORMATION ABOUT COVID-19 AND CONSTRUCTION WORK IN TORONTO

During construction, the contractor is responsible for the Health & Safety on site under the Ontario Occupational Health and Safety Act and is expected to implement COVID-19 mitigation practices. For more information on the City's response to COVID-19 please visit toronto.ca/covid-19.

MAP OF WORK AREA

WORK STATUS TO DATE

To date, the following work has been completed:

- Rehabilitated the north side of the bridge over the Don River, including reconstruction of the concrete deck, sidewalk and parapet walls with railings; replacement of bridge bearings and asphalt surface with bridge waterproofing; and patch repair of piers, abutments and wingwalls
- Road reconstruction between Craigmont Drive and Leslie Street, including substandard water service replacements, cycle track construction and intersection safety modifications from Pineway Boulevard, asphalt surface and concrete sidewalk improvements

REMAINING WORK

In the coming months, the City's contractor will be completing the following work:

- Rehabilitation of the south side of the bridge over the Don River
- Road reconstruction between Bayview Avenue and the bridge over the Don River
