Most Discussed Themes

Built Form

Interest in the type, scale, and transition of the proposed development, overall comfort, accessibility, and affordability.

Housing

Need for a variety of housing and affordable housing options, as well as to reconnect communities.

Transportation & Connectivity

Require safe connections year-round within and surrounding the Downsview area for all modes of travel, including cyclists and pedestrians.

Employment

Prioritize hiring local residents and create more opportunities for diverse businesses, community wealth building, community benefits, and job training.

Parks & Open Space

Provide more outdoor amenities, swimming pools and sport courts, as well as a greater variety of trees. Should better preserve/ improve habitat areas.

Arts & Culture

Create new social/ art spaces, highlight local histories, offer more events and festivals, and engage the local community.
