Driving School Operator (B12) Operating Information Questionnaire

1.	What is the square footage of your business premises?
2.	How many parking spaces do you have designated to your business?
	(Please note that street parking or shared parking does not apply to this question)
3.	How many locations does your business have?
	If your business has more than one location, please provide the Driving School Operator Licence for each additional location:
