About City Guidelines

Under the authority of the Housing Services Act, the City of Toronto, Housing Secretariat, City Guidelines and Rent-Geared-to-Income (RGI) Manual are the authority for housing administration and RGI administration for social housing providers in the City of Toronto.

City Guidelines are the City of Toronto's mandatory policies and procedures that social housing providers must follow. City Guidelines are most often issued when a Local Rule is established by the City of Toronto, the Rent-Geared-to-Income (RGI) manual is updated, or other relevant legislative changes or operational requirements occur. City Guidelines which impact RGI have been incorporated into the RGI Manual.
