## Overnight Watermain Work on Scott Street from The Esplanade to Front Street East

**Contract: 21ECS-LU-08TT**

**Start: Monday, October 17, 2022 (7:00 p.m.)**

**End: Saturday, October 22, 2022 (6:00 a.m.)**

*Timeline is subject to change.*

The City of Toronto's watermain work on Scott Street is now well underway. This notice is to provide an update on the watermain installation operations and upcoming evening work.

Weather permitting, this work will be performed on consecutive nights. This work will occur during the nighttime to minimize impacts on daytime activities, avoid disruptions to traffic (i.e. full road closures), allow deliveries and accommodate local businesses, as well as keeping work on schedule.

From **Monday, October 17 at 7 p.m. until Saturday, October 22 at 6 a.m.**, the contractor will carry out excavation to install the new watermain infrastructure and connections on Scott Street. Each evening, work will begin at 7:00 p.m. and continue through until the next morning at 6:00 a.m. The contractor is being permitted to work 24 hours a day until the work is completed and to perform the necessary work overnight.

A water shutoff will be required for some properties on or about Monday, October 17th. Affected properties and businesses will be notified in a separate notice. The contractor will make every attempt to schedule the most disruptive work to residents and businesses between 7:00 p.m. to 11:00 p.m. When the necessary overnight work is complete, regular construction hours will resume.

Weather conditions may also affect the progress of this work. Your patience and understanding is appreciated during these disruptions.

### WHAT TO EXPECT DURING CONSTRUCTION

- Heavy equipment (eg. Hydrovac, saw cutting, drilling, et.) will be operated during construction period, and you may experience dust, noise and other inconveniences.
- Please note that all construction vehicles are equipped with mandatory backup warning/signalling beepers. These devices are required for the safety of construction crews and cannot be disabled.
- The City will not be responsible for damage to any privately owned items on City property, so please ensure that you remove/arrange for the removal of each item.

**Road and Sidewalk Access:** To complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.

**Driveway Access:** The contractor will notify you of any temporary restrictions to driveway access. This overnight work will allow the contractor to install and cross both Scott Street lanes and the underground parking garage in one operation, minimizing impacts to local stakeholders.

# Notice of Overnight Work

	<p><b>Traffic Management:</b> Traffic on Scott Street has been reduced to one south-bound lane from Front Street East to The Esplanade to accommodate this project. There is no on-street parking permitted on Scott Street during the construction period. Road users should expect delays and increased traffic on nearby streets. Motorists are reminded that bicycles and cars will be sharing the same traffic lane. When driving, please be mindful of vulnerable road users.</p>
	<p><b>Accessible Accommodation:</b> The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the <b>Field Ambassador</b> listed below.</p>

## NEED MORE INFORMATION?

If you have questions about this construction project, please contact staff listed below. If you need to speak with staff on the construction site – please do so safely and ask for the site inspector and respect physical distancing.
