

November 28, 2022

Hello Health Care Partners,

Monovalent adult Moderna COVID-19 vaccine is no longer be available to order. The product will be removed from the ordering portal imminently.

ACTION: Effective immediately, please discontinue orders for monovalent adult Moderna COVID-19 vaccine.

If you have placed an order for this product, we will contact you with next steps.

Monovalent adult Pfizer-BioNTech COVID-19 vaccine will continue to be available for ordering. Both vaccines are interchangeable, and provide good protection from serious illness from COVID-19 for the primary series of vaccination.

Please let us know if you have any questions.

Sincerely,

COVID-19 Vaccination Allocation & Distribution Team
