

## Routine Disclosure Plan

Date: November 2022

**Division: Solid Waste Management Services** 

## Introduction

Access to records held by the City of Toronto is regulated by the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA). The public has a right to see most City records, and to get copies of them (fees for photocopying may apply) however there are some exceptions to public access. If there are any concerns regarding what information can be disclosed, please contact City Clerks – Access and Privacy and/or Legal Services – Municipal Law.

Records are made available by:

- **Routine disclosure:** Divisions make information available to the public when it is requested, and by publishing it online or in a printed form such as brochures and reports.
- **Freedom of information request:** When information is not available routinely, the public may submit a freedom of information request to the City Clerk's Office, Corporate Information Management Services.

Solid Waste Management Services seeks to provide open data and transparent information to the public regarding the operation of the Division. However, Solid Waste Management Services will not disclose any proprietary, personal, private, critical business planning, or legal advice. This includes but is not limited to:

- Records received in confidence from another government
- Third Party Information (e.g. trade secret; scientific, technical, commercial, financial information; labour relations information)
- Personal Information
- Information subject to solicitor/client privilege

- Draft of a by-law prior to being considered in a meeting open to the public
- Performance information pertaining to a City Contractor (e.g. when asked for a reference or endorsement)
- City employee opinion, unless authorized by upper management to represent the City
- Proprietary Information
- Proprietary information pertaining to City Contractors
- Landfill Gas Royalty Statements (proprietary information)
- Companies using our transfer stations
- Disposal Contingency Planning Details
- Results of Disciplinary Investigations
- Unit charge rate that Contractors charge (if not read at Bid Opening)
- Single-Family, Multi-Residential, Parks, Mixed Waste Processing and other research or program study audits
- Recyclability of various materials not included in City Recycling Programs
- List of billable customers
- Details related to active procurement initiatives (RFQs, RFPs, Tenders, OTPs, NCPs, etc.)
- Email Listserv information
