

# DELEGATED APPROVAL FORM DIRECTOR, REAL ESTATE SERVICES

DIRECTOR, REAL ESTATE SERVICES

TRACKING NO.: 2022-316

MANAGER, REAL ESTATE SERVICES

Approved pursuant to the Delegated Authority contained in Article 2 of City of Toronto Municipal Code Chapter 213, Real Property						
Prepared By:	Myron Menezes	Division:	Corporate Real Estate Management			
Date Prepared:	December 16, 2022	Phone No.:	416-338-3586			
Purpose	To obtain authority to enter into a licence agreement with the Toronto District School Board (the "Licensor"), with respect to the property municipally known as 629 Roselawn Avenue, Toronto also known as Memorial Park for the purpose of completing geotechnical and subsurface utility engineering investigations (the "Licence Agreement")					
Property	Part of Memorial Park located at 629 Roselawn Avenue, Toronto ON M5N1K7 and legally described as PT LT 27-30, 35-38 PL 491 NORTH TORONTO; PT LT 58 RANGE 1 PL 734 FOREST HILL AS IN FH18499, EN103102 & FH16195 (FIRSTLY & FOURTHLY DESCRIBED) LYING NE OF PLAN 3525 TORONTO; S/T CT580636, EN103102E; CITY OF TORONTO, being all of PIN No. 21167-0267 (LT).					
Actions	1. Authority be granted to enter into the Licence Agreement with the Licensor, substantially on the major terms and conditions set out in Appendix "A", and including such other terms as deemed appropriate by the approving authority herein, and in a form acceptable to the City Solicitor.					
Financial Impact	There is no financial impact resulting from the approval of this DAF. The licence agreement is for nominal consideration. The Chief Financial Officer has reviewed this DAF and agrees with the financial implications as identified in the Financial Impact section.					
Comments	The Basement Flooding Protection Program (the " <b>Program</b> ") was originally established in 2006, when the City identified 31 chronic basement flooding study areas. Following an extreme storm event on July 8, 2013, City Counc approved a further expansion of the Program to 41 study areas. Through public and private reinvestment, it provide for the replacement of all 1,208 existing social housing units along with 5,500 to 6,300 new market units. Combined with this is a doubling of public parkland, new schools, community facilities and retail opportunities. Over a multiphase, twenty-year implementation period, order of magnitude costs for the public infrastructure of the plan are estimated at about \$240 million.					
	In May 2017, CH2M HILL Canada Limited (CH2M) submitted a technical memorandum to the City, proposing to realign the Lawrence-Allen Revitalization Plan (LARP) sanitary sewers to follow the alignment of Phase 4 of the Program (BFPP4) Midtown Toronto Storm Sewer Relief Project (CH2M, 2017). This realignment was proposed to integrate the construction of the Midtown Toronto Storm Sewer Relief Project with the LARP sanitary sewers to mitigate impacts to the community. In June 2017, the City approved the proposed alignment and the preliminary design for the Midtown Toronto Storm Sewer Relief Project was initiated.					
	The Program's scope of work includes investigating each area; designing feasible and cost-effective solutions to the basement flooding problem, including completing the required Class Environmental Assessments (EAs); and constructing the approved solutions.					
	The Licence Agreement marks Phase 2 – Field Investigations of Memorial Park - of the High Level Schedule Milestones for Phase 4 of the Program. The Licence is only for localized areas as depicted in Appendix A for borehole drilling and monitoring.					
Terms	Refer to Appendix A for details.
