Streetlight Infrastructure Improvements and Pavement Repairs at Wellington Street East and Yonge Street

Contract: 20ECS-TI-20SP

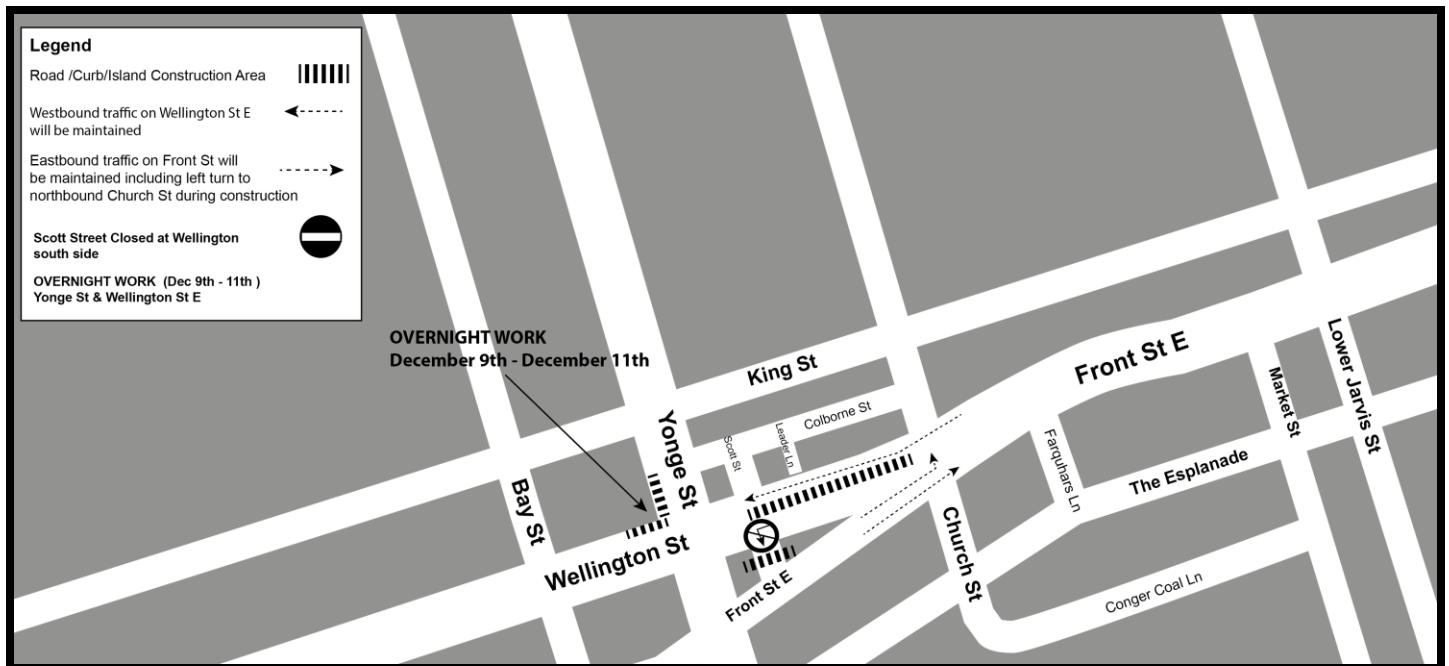

Start Date: Friday December 9th at 6:00 p.m. End Date: Monday December 12th at 7:00 a.m.

**Timeline is subject to change.*

The City of Toronto's track replacement and streetscaping improvement work on Wellington Street East is progressing well. This notice is to provide an update on the intersection work at Wellington Street and Yonge Street. Overnight work will take place on three nights starting on **Friday December 9th at 6:00 p.m. to 7:00 a.m.**, **Saturday December 10th 6:00 p.m. to 7:00 a.m.** and **Sunday December 11th from 6:00 p.m. to 7:00 a.m.** The City contractor will commence overnight underground electrical work and associated pavement repairs at the northwest corner of the intersection at Wellington Street and Yonge Street.

Construction work from December 9th to the December 11th will only take place at night, there will be no day time construction activity. Work will start at 6:00 p.m. and end the following morning at 7:00 a.m. Sunday overnight work will end on Monday morning at 7:00 a.m. When this overnight work is complete, regular work hours will resume. Your patience and understanding is appreciated during this overnight work.

MAP OF WORK AREA

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.

	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>During overnight work:</p> <ul style="list-style-type: none"> • One lane of westbound traffic will be maintained on Wellington Street East • Lane restrictions in southbound curblane on Yonge Street • Right turns from southbound Yonge Street to westbound Wellington Street East will be maintained during construction
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, inform the contact listed below.</p>

NEED MORE INFORMATION?
