The City's net revenue portion will be transferred to the dedicated parkland reserve fund (5% and 2% Land Acquisition Reserve Fund Scarborough - XR2007) less the management fee to be directed to the 2022 Council Approved Operating Budget for Corporate Real Estate Management (CREM), under cost centre FA1378 and will be included in future operating budget submissions for Council consideration. Comments	<p>705 Progress Avenue is an industrial mall type of property consisting of approximately 156,000 square feet acquired in August, 1996 by the former City of Scarborough in partnership with the former Scarborough Board of Education (the "Board"). Pending development of the property as a future park and a school facility, it was decided to continue to lease the units to multiple tenants. Former City of Scarborough and the Board entered into an Operating Agreement dated January 2, 1997, which provided that the City, in consultation with the Board, would engage a property manager (currently Compass Commercial Realty LP) and enter into a management agreement. The City and the property manager would be responsible for the day-to-day operation of the property. There are no plans at the present time to carry out the intended uses by the City and the Board for the property.</p> <p>The proposed rent and other major terms and conditions of the Lease Agreement are considered to be fair, reasonable and reflective of market rates.</p> <p>Toronto District School Board (TDSB) acknowledged the receipt of the Tenant's basic information along with Appendix A & B enclosed in this Delegated Authorization Form.</p>
