

Welcome Policy Recreation Fee Subsidy Application Form

Welcome Policy is a recreation fee subsidy to help Toronto residents access recreation programs. Eligible individuals and families will receive an annual financial credit amount that can be used towards the cost of fitness memberships, drop-in fees, and registered recreation programs offered at local Community Recreation Centres. Each family member listed on the application will receive an individual credit amount. Welcome Policy recreation fee subsidy is valid for a 12-month period from the day it is approved and issued. Residents need to re-apply and submit valid documentation each year.

You can apply for Welcome Policy online, or learn more information about the program, at www.toronto.ca/wp
You will need to register for recreation programs separately at efun.toronto.ca

If you are not able to apply online, completed application forms (with photocopied supporting documents) should be faxed to 416-338-5046. Alternatively, you may visit a Toronto-area Community Recreation Centre who may be able to fax your forms for you. Please note processing paper applications can take up to 8 weeks and residents are encouraged to apply online where possible.

Your application will only be considered once all your supporting documents have been included. City of Toronto staff review each application to determine eligibility. If you have questions about this form or would like accessibility supports, accommodation and/or a different format, please contact the Application and Support Centre at 416-338-8888.

If you receive Temporary Care Assistance (TCA), the child(ren) in your temporary care automatically qualifies for Welcome Policy. Complete this application and submit your Temporary Care Assistance Monthly Statement, received from Ontario Works, with the application. You, and any other members of your family, may also be eligible for Welcome Policy. If you wish to apply for Welcome Policy for yourself and other family members, you can apply for your full household, including any children in temporary care, on one (1) application. In addition to the Temporary Care Assistance Statement, you will also be required to submit your household income.
