## Watermain Replacement and Storm Sewer Replacement on Phlox Avenue

**Contract: 22ECS-LU-02SU**  
**Start Date: September 12, 2022**  
**Work Resume: May 8, 2023**  
**End Date-September 2023**

*\*Timeline is subject to change.*

This notice provides an update on the City of Toronto's ongoing project to replace the watermain and the City-owned portion of substandard water services and storm sewer on Phlox Avenue. The previously advised winter break is expected to end and work will be resuming on May 8, 2023, pending weather and ground conditions.

### MAP OF WORK AREA

### WORK STATUS TO DATE

The contractor has:

- Installed the new storm sewer;
- Installed new catch basins and leads;
- Installed the new watermain;

- Transferred water services to the new main;
- Replaced any water service pipes that did not meet City standards from the watermain to the private property line; and
- Completed driveway restoration;
- Temporarily restored areas affected by the storm and watermain installation

## REMAINING WORK

Starting May 8, 2023, the contractor will permanently restore all areas affected by watermain and storm sewer installation.
