Notes:

1. Councillors have been provided with a report of expenses charged to the Council General Budget.
2. The budget for Constituency and Other Expenses paid from the Council General Expense Budget is governed by the Constituency Services and Office Budget Policy approved by City Council at its meeting on July 11, 12, and 13, 2012 and the Parameters for Councillor Constituency Offices approved by City Council at its meeting on October 30, 31 and November 1, 2012.
3. Executive Committee Report EX42.1, titled "2010 Operating Budget", adopted by City Council on April 15, 2010, providing one additional staff member at the constituency assistant level for any ward which exceeds the median by more than 50 percent in both population and households, to be funded through the Council General Expense Budget.
4. City Council at its meeting on January 29 and 30, 2014, adopted Report EX37.1, "Resources Available/Allocated to Councillors", allocating each Councillor \$1,000 per year for expenses related to the meeting of the Accessibility for Ontarians with Disabilities Act (AODA) accessibility requirements for Councillor events or meetings paid from the Council General Expense Budget. The entitlement was amended by City Council at its meeting on March 10, 2015, report EX3.4 "2015 Capital and Operating Budget", so that the use of the \$44.0 thousand fund be based on a first-come first-serve basis with no limit per Councillor. The Parameters include an annual inflationary adjustment to the lease entitlement. The constituency office rent budget per ward was adjusted by the 2022 CPI rate of 2.85%.
6. As per Appendix 1 of the Constituency Services and Office Budget Policy, titled "Resources Available/Allocated to Councillors", approved by City Council at its meeting on July 11, 12 and 13, 2012, and December 4, 5 and 13, 2018, each Councillor is entitled to an amount equivalent to the cost of production and postage or delivery by other means of one newsletter to all households within the ward, based on the 2011 census information, and at a rate not to exceed the current Canada Post standard Admail rate, paid from the Council General Expense Budget. For 2022, the Admail standard rate per item was \$0.118 and the production price per item \$0.171. The number of households is updated with planning information on completed developments. Notes:

1. The adjusted total operating budget for the Mayor's Office is \$2,135,890. On December 14, 2022, City Council adopted EX1.7 - Operating Variance Report for the Nine Months Ended September 30, 2022 which included in-year budget adjustment to align the Mayor's Office with the practice adopted for Councillors' offices where benefits budget and costs for staff are charged to the Council general benefits budget rather than the Councillor staff salary envelopes. This adjustment also addressed cost pressures related to OMERS pension contribution as a result of EX33.7 (Updates to Members' Staff Contracts in the New Term of Council) adopted by City Council at its meeting on June 15-16 2022 which made OMERS enrollment automatic for staff hired on indefinite term contracts starting the new term November 15, 2022.
2. Includes only the benefit costs for the Mayor's position.
3. The Mayor has been provided with reports of expenses charged to his Operating Budget and the Council General Budget.

For the Year Ended December 31, 2022

(A) Members of Council

- Municipal Code, Chapter 223, Article I 'Remuneration for Council Members' and Article II 'Severance Remuneration for Members of Council'.
- City Council, at its meeting on May 6, 2014, adopted, as amended, EX41.4 'Survey Results for Elected Officials' Compensation for 2015-2018 Term of Council' amending Municipal Code Chapter 223, Remuneration of Council Members to establish that going forward, remuneration for the Mayor and Members of Council shall be increased annually on January 1 of the year by the increase in Statistics Canada's Toronto Consumer Price Index, as calculated by the Chief Financial Officer and Treasurer based on the previous year's average. For 2022, the CPI was 2.85%.
- Policy and Finance Committee Report No. 6, Clause 57, adopted as amended by City Council on July 25-27, 2006, regarding the compensation review of Elected Officials. The salary level of Councillors and the Mayor was set, effective January 1, 2007, at the greater of their current compensation or the 75th percentile of the comparator market group as at January 1st of each new term, being \$95,000 for Councillors and \$160,000 for the Mayor. This compensation is to be increased annually, beginning in January 1, 2008, by the increase in the Statistics Canada's Toronto Consumer Price Index, as calculated by the Deputy City Manager and Chief Financial Officer and Treasurer and based on the previous year's average.
- Administration Committee Report No. 14, Clause 2, as adopted by City Council on November 26-28, 2002, regarding the new Municipal Act 2003 adjustment to elected officials salary, pension and benefits. The new Municipal Act eliminated the one-third tax free portion of an elected official salary. The adjustment increased the gross salary for Councillors to \$82,097.64 and for the Mayor to \$139,197.90, effective January 1, 2003, thereby ensuring that their normal net pay was maintained.
- Executive Committee Report EX33.7, titled "updates to Members' Staff Contracts in the New Term of Council", as adopted by City Council on June 15 and 16, 2022 amending Members' staff contracts effective November 15, 2022.
