Watermain Replacement on Springhurst Avenue and Road Reconstruction on Close Avenue

Contract: 22ECS-LU-03SU
Start Date: August 22, 2022
Work Resumes: April 3, 2023
End Date: June 2023

**Timeline is subject to change.*

This notice provides an update on the City of Toronto's ongoing project to replace the watermain and the City-owned portion of substandard water services on Springhurst Avenue, reconstruct the road and replace the water services on Close Avenue. The previously advised winter break is expected to end and work will be resuming in April 2023, pending weather and ground conditions.

MAP OF WORK AREA

WORK STATUS TO-DATE

On Springhurst Avenue, the contractor has:

- Installed the new watermain;
- Transferred water services to the new main;
- Replaced any water service pipes that did not meet City standards from the watermain to the private property line; and
- Temporarily restored areas affected by watermain and water service installation.

REMAINING WORK

In April 2023, the contractor will:

- Replace any water service pipes that did not meet City standards from the watermain to the private property line on Close Avenue; and
- Permanently restore areas affected by the watermain and water service installation on Springhurst Avenue and Close Avenue
- Reconstruct the road on Close Avenue from Springhurst Avenue to King Street.
