Contractor's staff will be identifiable by their high-visibility company branded clothing and will follow relevant COVID protocols. If you need to speak with staff on the construction site,

	please ask for the Site Inspector and follow public health directions for reducing the spread of COVID-19 during in-person communication.
	<b>Accessible Accommodation:</b> The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible.
