Stubbswood Square Pedestrian Bridge Replacement

Contract: 22ECS-BE-09BSE
Start Date: July 4, 2023 End Date: March 31, 2024
**Timeline is subject to change.*

The City of Toronto is planning to replace the Stubbswood Square Pedestrian Bridge. Access to the bridge will be restricted for the duration of the work. This work will ensure that the bridge meets today's standards and remains safe for vehicles and pedestrians into the future. The project is part of the Council-approved 2023 Capital Works Program.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will:

- Remove existing pedestrian bridge;
- Construct reinforced concrete foundations and substructure;
- Fabricate (design by Contractor) and install new metal pedestrian bridge;
- Construct reinforced concrete deck slab;
- Construct pedestrian/bicycle railing;
- Construct approach slabs and expansion joints;
- Install rock protection at the abutments;
- Asphalt paving for multi-use pathways;

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce impacts. We appreciate your patience.

	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, Saturday, 9 a.m. to 7 p.m., with no work on Sunday or Civic / Statutory Holidays.</p>
	<p>Trail/Bridge Access: In order to complete the work in a safe manner, access to the trails will be restricted within the work zone. Access for emergency vehicles will be maintained at all times.</p> <ul style="list-style-type: none"> • Access to the pedestrian bridge will be restricted for the duration of construction.

	<p>Traffic Management: Road users should expect delays and increased traffic on nearby main and side streets. When driving, please be mindful of vulnerable road users.</p> <ul style="list-style-type: none"> • Temporary traffic signal will be installed at Brimley Road and Chartwell Shopping Centre Entrance.
	<p>On-Site Communication: There are times when contractors need to communicate with homeowners about what is happening on-site. This could be about driveway access, water shut offs, pre-construction inspections, and site restoration work (landscaping, installing pavers etc.). Contractor's staff will be identifiable by their high-visibility company branded clothing and will follow relevant COVID protocols. If you need to speak with staff on the construction site, please ask for the Site Inspector and follow public health directions for reducing the spread of COVID-19 during in-person communication.</p>
	<p>Accessible Accommodation: The City's contractor must ensure safe and accessible walkways and entryways are maintained for everyone during construction. Any temporary access disruptions will be communicated as soon as possible. If you experience a disruption, have a specific access need or related accommodation request, contact the Field Ambassador listed below.</p>
	<p>Restoration: The construction work area will be restored with sod, concrete and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
