

# Neighbourhood Climate Action Grants

Grants for resident-led projects, activities & events

Take action to improve your neighbourhood and address the climate crisis.

Grants of up to \$7,500 can help bring your idea to life!

Examples of projects eligible for funding include those that help residents to:

- reduce their energy use
- walk, cycle and take transit more often
- reduce and prevent waste, including food waste

Apply by September 15 at [toronto.ca/livegreen](https://toronto.ca/livegreen)
