RUAC-NIGHT-THURS

WASTE COLLECTION

**BLUE BIN, GARBAGE, GREEN BIN
AND YARD WASTE ARE COLLECTED
ON THE SAME NIGHT OF THE WEEK.**

TYPE OF COLLECTION

The property owner selects **bin** or **bag** collection.

It is the responsibility of the property owner to provide residents with sufficient containers for garbage, recycling and organic waste or buy sufficient City of Toronto Garbage Tags*, if only using bags.

BIN COLLECTION	BAG COLLECTION
Garbage Bin, Blue Bin for recycling and a Green Bin for organic waste.	Regular size bags for garbage (purchase Garbage Tags* for each garbage bag). Use clear bags for recycling. Use a Green Bin for organic waste.

To order, exchange or request a repair for a **Blue Bin**, **Garbage Bin** or **Green Bin**, visit: toronto.ca/311 or call 311.

SETTING WASTE OUT FOR PICKUP

- Blue Bin (recycling), garbage, and Green Bin (organics) must be set out at the curb on your scheduled collection day (after 6 p.m. and before 9 p.m.).
- Set-out times apply to both bin and bag collection.
- Access to the bins/bags must not be blocked by parked cars, ice/snow, oversized items or other containers on the day of collection.
- Please remove all tie-downs (i.e. bungee cords) prior to collection.

BLUE BIN RECYCLING

- | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| BLUE BIN <ul style="list-style-type: none">• All recycling, including newspapers, magazines and cardboard, must fit in a City-issued Blue Bin with the lid closed. Place items in loose. | BAG COLLECTION <ul style="list-style-type: none">• All recycling must be set out in clear/translucent bags. No Garbage Tag* is needed for recycling.• Each bag cannot weigh more than 20 kg (44 lb). |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

GARBAGE COLLECTION

- | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| GARBAGE BIN <ul style="list-style-type: none">• All garbage must fit in a City-issued Garbage Bin with the lid closed.• If you have excess garbage, you must put it in a regular black bag and affix a Garbage Tag*. | GARBAGE BAGS <ul style="list-style-type: none">• Each regular size garbage bag (66 cm x 91 cm) must be affixed with a Garbage Tag* that is visible.• Each bag cannot weigh more than 20 kg (44 lb).• Broken glass and other sharp objects must be placed in a clearly marked sealed container. If the sealed container fits in the bag, please place it in the bag. Otherwise, place it beside the bag and affix a Garbage Tag*.• Do not put liquids in your garbage. |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

* Garbage Tags can be purchased at toronto.ca/solidwastestore or Toronto Canadian Tire and Shoppers Drug Mart stores. Tags never expire.

GREEN BIN ORGANICS

- | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none">• Do NOT put items in loose.• You must line your kitchen catcher or outdoor Green Bin. Do not line both. | <ul style="list-style-type: none">• Use a plastic or paper bag for either container. Compostable bags are not necessary.• The handle of the bin must be set in the locked position. |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

ELECTRONICS AND OVERSIZED ITEMSHOUSEHOLD HAZARDOUS WASTE

Electronic waste (e.g., keyboards, computer cables, televisions) and oversized items (e.g., appliances, furniture) can be left next to your Garbage Bin for pickup on garbage day. Small electronic items should be put out in a clear plastic bag or cardboard box.	Items such as batteries, cooking oil, medications, bleach, paint and fuel are considered household hazardous waste and will not be collected at the curb. For a complete list of household hazardous waste products and proper disposal options, visit toronto.ca/hhw .
