

Scarborough Bluffs West Revitalization Study

November 2, 2023

Notice of Commencement of Terms of Reference

The City of Toronto, in partnership with Toronto and Region Conservation Authority (TRCA) is initiating an Individual Environmental Assessment to explore the **renewal of and improvements to approximately 4.5 km of Lake Ontario shoreline**, from Balmy Beach at Silver Birch Avenue to Bluffer's Park. The project will engage the public, Indigenous communities and technical experts to inform a plan to enhance the landscape and provide safe access to the waterfront while protecting sensitive shoreline and natural areas.

Public consultation is an important element of the study. The public will have opportunities for input at key stages throughout the project. Consultation opportunities will be advertised on the project website, by email, in local newspapers, on social media pages, and through mail to households and businesses in the area.

Process

This study will be carried out in accordance with the requirements of the *Environmental Assessment Act*. The first step of the process is the preparation of a terms of reference. The terms of reference will set out the proponent's framework and work plan for addressing the *Environmental Assessment Act* requirements when preparing the environmental assessment, including such things as the alternatives that will be considered and the public consultation activities that will be carried out. If approved by the Minister, the terms of reference will provide the framework and requirements for the preparation of the environmental assessment.
