Contract: 21ECS-LU-04FP

Expected Start Date: November 09, 2023

Expected End Date: November 17, 2023

*\*Timeline is subject to change.*

The City of Toronto is modifying and upgrading the storm and sanitary sewer system in your area in order to reduce surface and basement flooding. This work also involves replacing the City-owned portion of substandard water services and sanitary sewer laterals.

Due to the existing soil conditions on site and to ensure the safety of everyone, the construction team has closed this section of the road until the current trench is backfilled. This road closure includes night access restrictions. **The road will be closed at Westgate Boulevard and Edinburgh Drive, effective 7:00 a.m. on Thursday, November 09, 2023, to 7:00 p.m. on Friday, November 17, 2023.** We apologize for any inconvenience that this closure will cause in the neighbourhood, and we thank you for your continued patience as we complete the work.

This project is part of the Council-approved 2022 Basement Flooding Protection Program to improve the water distribution system; renew our aging infrastructure and reduce the risk of sewer collapse or blockages that cause sewer backups and flooding.
