Road Resurfacing and Bikeway Construction on Sheppard Avenue East from Bonnington Place to Bayview Avenue

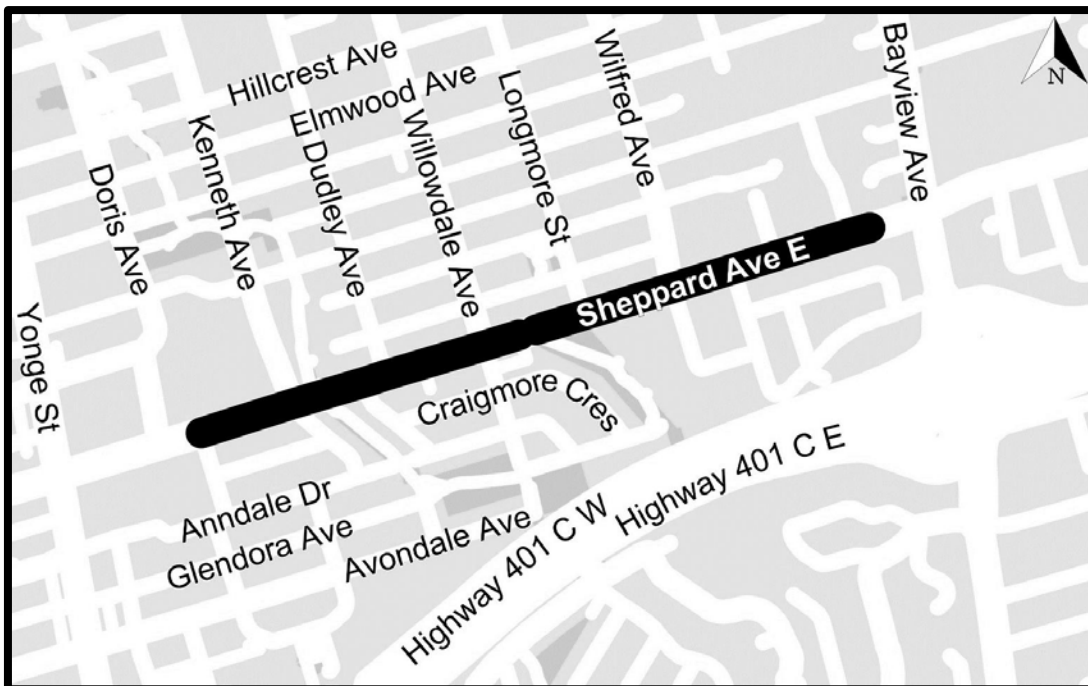

Contract: 23ECS-RD-11MR

In June 2023, the City of Toronto notified residents of planned resurfacing of Sheppard Avenue East from Bonnington Place to Bayview Avenue, along with installing cycle tracks on both sides of Sheppard Avenue East, which will require the removal of the centre turn lane between Kenneth Avenue and Wilfred Avenue.

Due to delays encountered with the tender and award process, this project has been deferred to Spring 2024.

An update will be provided before work is to take place in 2024.
